Canna Brands, Inc. (the "Company") will be late in filing its Quarterly Report for the period ending September 30, 2014.

The reasons the Company will be late in the filing of its Quarterly Report are as follows:

Despite diligent efforts, the work necessary to complete the Company's preparation of its quarterly financial statements and assemble all of the necessary business information to complete required disclosures has caused delay in completion of the Company's financial statements for the quarter period ending at September 30, 2014 and the disclosures contained within the Quarterly Report for the period ending September 30, 2014. As a result of this delay, the Company is unable to file its Quarterly Report for the period ending September 30, 2014 within the prescribed time period without unreasonable effort or expense.

The Company expects that it will be able to post its Quarterly Report containing financial statements for the quarter ending September 30, 2014 on or prior to November 19, 2014.
