Global Senior Enterprises Inc. Creates Comprehensive North and South Senior Care Facilities Worldwide.

The Global Senior Enterprises Inc. (OTC Pink: GSET), is a joint international investment group formed by global entrepreneurs. The company will comprehensively utilize education, tourism, land, medical, commercial, construction, transportation, culture and other resources to form an international business operation system.

The company's main business includes construction of senior care real estate and tourism facilities, warehousing and logistics, building medical health system, production of health care products and establish training schools. The keynote is to provide social services for the seniors and to create an international and modern senior care system. The company will select regions suitable for senior care in the global scope, pairing with modern management mode to construct a large-scale "International Senior Care Chain City". There are 50 senior care real-estate projects in mainland China and over 200 internationally are currently under planning.

With the national policy support for senior care industry, the company has established good relations of cooperation with non-profit organizations and charitable foundations such as Shaanxi China Aging Development Foundation, China Sunset Club, as well as some elderly volunteer organizations. The company has invested in projects including Shanghai Leisure Keeping Endowment Apartment, located in Putuo district of Shanghai, China with a total investment of 160 million RMB, covers an area of 11800 square meters and has more than 150 sets of rooms; 9 hospitals, which all belong to the comprehensive new type of geriatric nursing institutions, which achieve the concept of "keeping in good health - beyond the family to enjoy"; and Shaanxi Sunset Club Senior Care Apartment, located in Xi'an at the foot of mount Zhongnan that usually known as the "the wonderland" and "the land of lucky" because of the great scenery; Moreover, Shaanxi Baying Ecological Industry Development Co. agreed to exchange 30% of equity with the group to create a global elderly service platform and to lay a solid foundation for building international pension system.

In the next six to eight years, the company is expected to choose more suitable projects in the global scope including senior care apartments and leisure tourism resorts to integrate regional mergers and acquisitions, franchising and expansion of the "International Senior Care Chain City". It is expected to M&A over 200 senior care apartments and over 2000 tourism resorts in both domestic China and overseas. The M&A will also helps build a series of matching facilities, complete and courteous services pairing with international and modern management mode, to form a well-known brand for the company. Through the innovation model of "Entity + Finance", the company will link resources integration with capital operation, assets exchange, securities, funds, to achieve the welfare assets socialization. The senior care chain system will throughout Shanghai, Hong Kong, Macao and Taiwan, from

north to south China, and further form a comprehensive system in Asia, Europe and north America.

The company's official website is www.gset99.com. The number 99 represents forever in Chinese. The company's trade mark means the hands of love in the middle of the earth's fable. Social livelihood of the people and the charity have also been the company's concerns, that it plans to set up a senior care charitable foundation to further practice the company's social responsibilities. The company has set up a emergency rescue mechanism for the elderly.

Senior care industry cannot develop without support of individuals, companies and organizations from all industries. As the leader in the industry, Global Senior Enterprises puts the mission on its shoulder and face the long way ahead. And the company believes that its effort to promote the development of senior care facilities will take the company and the industry into a new stage and a new height.
