Tamino Minerals, Inc. Unaudited Consolidated Financial Statements September 30, 2014

TAMINO MINERALS INC. ("TINO")

Note 1 – Organization and Basis of Presentation

Organization and Line of Business

Tamino Minerals Inc. began its existence as Rom Tech, Inc. as a Pennsylvania corporation incorporated in July 1992 As Rom Tech, Inc. It was changed to Entertainment Games, Inc. ("eGames") in March of 1999. On March 25, 2013, Tamino Minerals Inc. was authorized as a Pennsylvania corporation. It continues to operate in good standing as a Pennsylvania entity.

On April 4, 2012, the company (Entertainment Games, Inc., which is Tamino Minerals, Inc.'s predecessor) was de-listed by the Securities and Exchange Commission (by operation of an SEC 15-12G filing).

Tamino Minerals Inc. has transitioned to a mining enterprise. It is currently exploring in Mexico for precious metals including copper, lead and zinc. It has several properties in a highly prospective area for Gold in Mexico known as the "Las Amalias Mine" and it continues to evaluate and develop economic opportunities. Entertainment Games issued 65 Million Shares of its Common Shares in October 19, 2012 to the New Mining Exploration Group commanded by Messier Pedro Villagrán García.

Messier Pedro Villagrán García was then appointed President & CEO of Entertainment Games, Inc..

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America.

The statements presented were prepared by the company based on operations during the year and prior period accounting records.

Note 2 – Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Tamino Minerals, Inc. Unaudited Consolidated Financial Statements September 30, 2014

Principles of Consolidation

The financial statements are not consolidated. However, the financial statements do reflect the interest held by the company in an operating mining venture in Mexico.

Cash and Cash Equivalents

Cash and cash equivalents include cash in hand and cash in time deposits, certificates of deposit and all highly liquid debt instruments with original maturities of three months or less. The company maintains a business checking account in the United States at Chase Bank.

Prepaid Expenses

The company has a low amount of Prepaid Expenses to date which will be accounted for once we are audit ready. The amount is not too big and are mainly are expenses that the President/CEO made in the last several months.

Investments in Marketable Securities

None

Deposits

Deposits are the balances outstanding that have not been redeemed as of the date of the Financial Statements.

Accounts Receivable/Other Receivable

Accounts Receivable represent amounts due to the company from sales or services rendered.

Notes Receivable

Notes Receivable are executed contractual obligations to pay the company reflecting amounts due for sales or services rendered to another by the company. As of September 30, 2014, there are no notes receivable.

Income Taxes

The company is unable to verify the status of income tax filings but will request prior year returns in order to report accurately and ensure compliance with taxing authorities. There are Net Operating Loss Carryforwards available as of June 30, 2014 to offset federal taxable income in the future years based on the level of accumulated deficits

Note 3 – Going Concern

The accompanying financial statements have been prepared in conformity with generally accepted accounting principles in the United States of America, which contemplates continuation of the Company as a going concern.

Note 4 – Accounts Payable

Accounts payable represent amounts owed to vendors for products and/or services rendered but not yet paid for in full.

Note 5 – Notes Payable

The company is making an evaluation of all notes payable as of September 30, 2014. The holders are non-related parties. The notes itself are demand notes, callable at any time. Furthermore the company is preparing for an audit. During the year, there were no principal payments made. Interest has been accrued for the year.

The Company has recently signed 3 Convertible Notes for a total of $161,500.00 in favor of 3 Note Holders.

Note 6 – Loans To/From Officers & Loan

Loans are stated at par and are presented in aggregate. Such sum represents the loan of funds and/or withdrawal of funds by officers and is not considered revenue to the company, nor income to individual officers.

The "Loan" account represents amounts extended on credit by companies executives.

Note 7 – Stock Options and Warrants

None.

Note 8 – Preferred Shares

There are currently 875,000 preferred shares outstanding.

Note 9 – Prepaid Expenses

The company has a good number of Prepaid Expenses to date.

Note 10 – Significant Events

None.

Note 11 – Subsequent Events

The company has evaluated all subsequent events through November 12, 2014, the date these financial statements were issued. The following material events occurred subsequent to release of these financial statements: (1) continued exploration of several resource related opportunities and discussions regarding the financing of new potential operations within Mexico.

Note 12 – Registration of Stock

REGISTRATION OF STOCK

No additional Common Stock shares were issued during the quarter ending September 30, 2014.

The outstanding Common Stock shares at September 30, 2014 consist of the following:
