Re: Stargaze Entertainment Group, Inc., formerly Umining Resources, Inc.
Annual Information and Disclosure Statement
Year Ended November 30, 2014, as published on March 2 and 3, 2015
by OTC Disclosure & News Service

Ladies and Gentlemen,

My office has been engaged by Stargaze Entertainment Group, Inc., formerly Umining Resources, Inc. (the "Company") to be its special securities counsel. My services include reviewing disclosure information, interfacing with the management and/or Chief Accounting Officer. I have examined such corporate records and other documents and have asked such questions of law as I have considered necessary or appropriate for the purpose of writing this letter. I have relied on publicly available information from the Secretary of State of the State of New York and information obtained from the Company's officers and directors. I have also reviewed the following documents posted at www.OTCMarkets.com and publicly available through the OTC Disclosure and News Service in connection with the preparation of this letter:

- The Company's Annual Financial Reports for the years ended November 30, 2014 and 2013, respectively as posted on March 2, 3, 2015 and February 19, 2014;
- The Company's Periodic filings with OTC Markets, including the Quarterly/Periodic report covering the quarter ended August 31, 2014, posted on November 19, 2014, the quarter ended May 31, 2014, posted on July 15, 2014, and the Quarterly/Periodic report covering the quarter ended February 28, 2014, as posted April 15 and 16, 2014;
- The Company's Articles of Incorporation;
- And such other information that I considered necessary under the specific circumstances

I also reviewed information prepared and filed with the Depository Trust Corporation, which filing included information regarding a name change and reverse split, as declared effective by the Financial Industry Regulatory Authority on March 12, 2015. Although not publicly available, this information was considered in order to ascertain if the disclosures were sufficient.

I believe the sources I have relied upon to be reliable. In my examination, I have assumed the genuineness of documents and other information provided by the Company, without independent investigation.

This opinion is based expressly on the facts stated herein, and may not be relied upon in the event that other facts, not presently known to me, come to light. Opinion letters of counsel are not binding upon the OTC Markets or the Courts, and to the extent that persons relying upon this letter may have knowledge of facts or circumstances that are contrary to those upon which this opinion is based, this opinion would not be applicable and will result in another opinion. The opinions expressed herein are limited to the Federal Law of the United States of America, specifically the Securities Act of 1933, the Rules and Regulations relating thereto, and no opinion is provided regarding any federal or state law not specifically referenced herein. I am a member in good standing of the bar of the State of Arkansas since 1990, am a resident of the United States and am permitted to practice before the Securities and Exchange Commission ("SEC") and have not been prohibited from practice thereunder.

The Company files voluntary periodic reports with OTC Disclosure & News Service, is not a reporting issuer pursuant to the Securities Exchange Act of 1934 (the "Exchange Act") and, therefore, does not file periodic reports with the SEC.

This information constitutes, in my opinion, adequate current public information concerning the Company's securities and is available within the meaning of Rule 144(c)(2) under the Securities Act. It includes all of the information that a broker-dealer would be required to obtain from the Company to publish a quotation for the securities under Rule 15c2-11 under the Exchange Act and complies as to form with the OTC Market's Guidelines for Providing Adequate Current Information.

The person responsible for the preparation of the Company's financial statements is the CEO, Tony Green. The financial statements are prepared internally and he is responsible. Mr. Green is an award winning producer/songwriter and filmmaker. His proven hit songs have earned him international acclaim. His works have been charted on Billboard magazine and have reached gold and platinum status. In July 1996 Tony Green was inducted in the Canadian Dance Hall of Fame. His film South of the Moon, which he wrote, produced and directed under his Italian name Antonio DiVerdis Mazzone, received much recognition at the festival circuit and was garnered an award at the Tiburon International Film Festival. He has been successful in running and building various music corporations and is now President & CEO of Stargaze Entertainment Group, Inc., formerly Umining Resources, Inc., which he is presently in the process of restructuring into an entertainment company. He is familiar with all of the operations of Umining Resources, Inc. and he is responsible for maintaining the Company's books and records with the supervision and assistance of the Company's CPA's, which ensure that the financial statements are shown in accordance with US GAAP. The financial statements provided by the Company are not audited.

The Company's transfer agent is Manhattan Transfer Registrar Company, which is registered with the SEC. The method used to confirm the number of outstanding shares of common stock set forth in the Information Statement was to contact the transfer agent and receive confirmation as to the number of outstanding shares. The transfer agent is SEC registered as confirmed by checking the SEC's Edgar system.

The undersigned has spoken with management and a majority of the directors of the Company via telephone. The undersigned has reviewed the Information Statement, as presently published by the Company through the OTC Disclosure and News Service. The undersigned discussed the disclosed information, as the undersigned considered necessary, with management.

To the best of my knowledge, after inquiry of management and the directors of the Company, neither counsel nor any officer, director or 5% or greater holder of the outstanding securities of the Company is currently under investigation by any federal or state regulatory authority for any violation of federal or states securities laws.

I have compiled and list below the names of each executive officer, director, general partner and other control person of the Company and promoter, finder, consultant or any other advisor of the Company who assisted, prepared or provided information with respect to material portions of the Company's disclosure or who received securities as consideration for services rendered to the Company and the following information related to each: (i) their full name, (ii) their business address, (iii) the number and class of the Company's securities beneficially owned by each of them, (iv) with respect to each of the securities described in the preceding clause whether or not the certificate or other document that evidences the securities contains a legend stating that the securities have not been registered under the Securities Act and setting forth or referring to restrictions on transferability and sale of the securities and (v) a complete description of the consideration received by the Company in connection with each issuance of shares to any of them including, without limitation, the nature of any services performed for or on behalf of the Company. For purpose of this letter, the term "control person" includes (i) any person controlling, under common control with, or controlled by, the Company or (ii) any person who obtained securities of the Company in connection with a negotiation with the Company within the three-year period prior to the date of the opinion. With respect to any of the Company's control persons that is an entity and any parent entity of any control person, this letter provides the information for each control person of such entity or parent entity.

No person or entity other than OTC Markets is entitled to rely upon this opinion. OTC Markets, however, is granted full and complete permission and rights to publish this document via the OTC Disclosure and News Service for viewing by the general public and regulators. In the event that other information exists and/or comes to my attention, that was not disclosed to me, or considered by me, for this opinion, another conclusion would have been reached. The public and OTC Markets may rely on the above in determining whether Umining Resources, Inc. has made adequate current information publicly available within the meaning of Rule 144(c)(2) of the Securities Act of 1933. It is my opinion, based upon the information disclosed to me, that the information which has been posted via OTC Disclosure and News Service constitutes adequate current public information, is available within the meaning of S.E.C.
