CERTIFICATE of AUTHOR

I, Jenna Hardy, P.Geo., do certify that:

I am a Principal of Nimbus Management Ltd, 535 East Tenth St. North Vancouver, B.C, Canada, V7L 2E7.

This certificate applies to the technical report titled "Blue River Tantalum-Niobium Project, British Columbia, Canada, NI 43-101 Technical Report on Mineral Resource Update" with an effective date of the 28th of February 2015 (the "Technical Report").

I graduated with the degrees of BSc. (Geology) and M.Sc. (Economic Geology) from the University of Toronto in Toronto, Ontario in 1974 and 1978, respectively, and received an M.B.A. from Simon Fraser University in Burnaby, British Columbia in 1988. I have practiced my profession continuously since 1978

I have over twenty years of experience in geological and environmental aspects of mineral exploration, project development and mining operations, encompassing technical, management and corporate roles. I have experience in a variety of commodities at locations in North America, Mexico and South America.

I have been involved with the Blue River Project since 2006, becoming Project Manager in 2007.

I am a professional geoscientist registered in British Columbia as a P.Geo. and am a member of the Canadian Institute of Mining and Metallurgy.

As a result of my qualifications and experience, I am a Qualified Person as defined in National Instrument 43-101.

I last visited the Blue River Project on: May 23rd 2012, 9th-10th of July 2012 and the 17-18th of July 2012.

I am not independent of Commerce Resources Corp in accordance with the application of Section 1.5 of National Instrument 43-101.

I have read NI 43–101 and this report has been prepared in compliance with that Instrument.

As of the effective date of the Technical Report, to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.

Dated this 2nd day of March 2015.

"Signed"

Jenna Hardy. P.Geo.
