Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The consolidated financial statements include the accounts of Intelecom which became My Social Income, Inc. The Company owns no beneficial interest in any other commercial enterprises at the present time. The consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Intercompany balances and transactions have been eliminated.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ form those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and amounts due from bank and credit card clearing companies.

Inventories

Inventories consist of finished, ready to sell products only, are recorded at cost under a FIFO assumption, and are valued at the lower of cost or market.

Property, Plant and Equipment

Fixed assets are recorded at cost. Depreciation and amortization are accounted for on the straight-line method based on the estimated useful lives of the assets.

Other Assets and Liabilities

Other assets consist primarily of amounts prepaid for future services.

Sales

Revenue is recognized when product is shipped, or when an IP number is activated if no product is shipped.
