6) Describe the Issuer's Business, Products and Services

A. Description of the issuer s business operations;

Global Profit Technologies, I c. [GLPT] is a publicly traded e-commerce company within the Financial Products & Services Sector and Continuing Education & Training segment of the financial community. Specifically, its proprietary software applications, designed to automate trading in the over-the-counter foreign currency markets, are poised to revolutionize r tail trading and investment strategies as we now know them.

GLPT is the developer, sol owner and licensor of a proprietary revolutionary trading technology, with the emphasis on the Forex currency markets, with its commodities platforms currently under development. The company's flagship product, The "4X-Dynamic Automated Trader" (4X-DAT) is the world's first and only software application of its kind, making it the most advanced personal Forex trading tool available anywhere. It brings to any Forex trader an unparalleled solution designed to fully automate all personal trading activities in the over-the-counter foreign exchange (Forex) markets.

Because of its head start and virtually no competition, Global Profit Technologies, Inc. is set to be the world's foremost leader in providing foreign currency traders with products and services in order to help them fulfill their personal goals of financial success and freedom. The Company is poised to capitalize on its current and recurrent sources of high margin revenues primarily on its recurring licensing/usage fees from its software trading platforms, as well as additional revenues from the sales and marketing of its software education, training seminars, and personal consulting.

With an expanding market niche and declining cost structures, GLPT management continues to work diligently on improving the shareholders' value and believes that the future of GLPT is outstanding.

B. Date and State (or Jurisdiction) of Incorporation:

Florida; June 18, 1999
