RE: PPJ Enterprise, Inc., a Nevada Corporation, Trading Symbol: PPJE

Dear Administrator:

I am a licensed attorney in the State of Nevada (Bar Number 7103) and Colorado (Bar Number 30049) and am authorized to practice in the Nevada state courts, federal district courts, federal and state administrative agencies and commissions , to include the Securities and Exchange Commission; and the 9th Circuit Court of Appeals. I am a resident of the United States and I have been retained by the company for the sole purpose of reviewing the current information supplied by the company and issuing an opinion based upon the review. The purpose of the opinion is to address any concerns your organization might have regarding this company, particularly in light of Rule 144(c)(2) of the Securities Act of 1933. I have previously handled matters with the Securities and Exchange Commission and continue to do so and as a result of my representations I have the degree of knowledge and insight to render this opinion. This letter is intended for only Pink OTC Markets, Inc. sole use and reliance, no other person is entitled to rely upon it; however, permission is given to Pink OTC Markets, Inc. to publish the letter in the News Service for viewing by the public and regulators.

FACTS AND ASSUMPTIONS

In connection with rendering this opinion, I have examined certain forms and documents prepared by the company. These documents include the current officer and directors list and the resolutions appointing them; the prepared financial statements; the Initial and the Annual

Reports dated June 30, 2008, filed August 30, 2010; the Interim Financial Report dated for June 30, 2010 and filed August 17, 2010; the Annual Reports dated December 31, 2009, filed May 3, 2010; the Supplemental Report dated December 31, 2009 and filed May 3, 2010; an Interim Financial Report dated September 30, 2009 and filed November 23, 2009; and the Annual Reports dated December 31, 2008 and filed November 11, 2009 respectively; the Securities and Exchange Commission (SEC) filings beginning in September 26, 2002 up to the last report filed September 11, 2009; the Articles of Incorporation and Bylaws; and a public records search via Lexis/Nexis to assist me in rendering this opinion. In addition, I have personally met and have had several conversations with personnel affiliated with the company, notably the Director and President Chandana Basu. The information obtained from public officials, officers of the Issuer and other sources, I believe to be reliable.

In examining the foregoing documents, I have assumed the authenticity of signatures (both manual and conformed), the authenticity of documents submitted as originals, the conformity with originals of all documents furnished as copies, and the correctness of the facts set forth in such documents. I have also assumed all oral representations in connection with this matter to be accurate. Nothing came to my attention during the course of my investigation that led me to conclude that any of such documents were not genuine or authentic or that the facts set forth therein were not true.

The documents that were reviewed included filings made to the Nevada Secretary of State and corporate resolutions made in conjunction and compliance with security regulations. The documents to be filed with Pink OTC Markets, Inc. were also reviewed as well as a public records search done via Lexis Nexis. The information obtained from public officials, officers of the Issuer and other sources, I believe to be reliable. It is my opinion these documents constitute "adequate current public information" concerning the Securities and the Issuer and "is available" within the meaning of Rule 144 (c) (2) and includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the Securities under Rule 15c2-11 and is posted to pinksheet.com. The documents comply as to form with the Pink OTC Markets, Inc for Providing Adequate Current Information. The Initial Disclosure documents submitted to Pink OTC Markets, Inc. were hand written by Ms. Basu ; but after conversations with her I believe the information to be accurate as well as informative to any future investor. Ms. Basu did inquire with Pink OTC Markets, Inc and was told the format which she chose to submit was acceptable. It may be expected that Pink OTC Markets, Inc may request supplemental information as a result of the handwritten format. This opinion does not alleviate the professional responsibilities of brokers, dealers, and investors to conduct their own professional diligence.

Investigation and discussion revealed that the current financial statements were prepared in house under the guidance of Chandana Basu, located at 1105 Terminal Way, Suite 202, Reno, NV 89502. Ms. Basu is an experienced businesswoman and the financials were prepared in accordance with generally accepted accounting principles..

The transfer agent is currently Pacific Stock Transfer Company, 500 E. Warm Springs Road, Suite 240, Las Vegas, NV 89119. This was confirmed by contacting the Financial Industry

Regulatory Authority, FINRA, compliance representative. The outstanding shares information was confirmed via Beth Looker -an employee of Pacific Stock Transfer.

After personal consultations and meetings with the Director and President, I am satisfied no individual officer or 5% shareholder is currently under any investigation in any jurisdiction. Counsel is in good standing in all jurisdictions. Counsel can practice before any state or federal court or agency, to include the Securities and Exchange Commission.

I am unaware of stock being issued for services rendered. Discussions with Ms. Basu indicates promissory notes exist to which stock may be issued to satisfy the debt in accordance with Rule 144; however no such resolution has occurred. Also, from information I have received, neither the note holders, nor any previous holder is a officer, director, or an affiliate of the company and has not been an officer, director or an affiliate of the company during the past three months.
