Re: Solanbridge Group, Inc. ("SLNX" or "the Issuer" or "the Company")

Dear Sir or Madam:

I have been retained by Solanbridge Group, Inc., a Maryland corporation, to render a letter opinion ("Letter") as to whether the Annual Report published by the Issuer on the OTC Disclosure & News Service on June __, 2015 (the "Information") constitutes adequate current information for purposes of Rule 144(c)(2) promulgated under the Securities Act of 1933 (the "Securities Act"). I represent the Issuer as general corporate counsel.

OTC Markets Group, Inc. ("OTC Markets") may rely on this opinion in determining whether the Issuer has made adequate current information publicly available within the meaning of Rule 144(c)(2) of the Securities Act. I have also examined the following documents regarding the Company: (i) Articles of Incorporation and related amendments ("Articles") and By-laws, (ii) certain resolutions of the Board of Directors, and (iii) stockholder list. I have examined such corporate records and other documents and such questions of law as I have deemed necessary or appropriate for purposes of rendering this opinion.

As to matters of fact, I have made such inquiries of the Issuer's officers as I deemed necessary to render this opinion, and I believe that such sources were reliable. This opinion is expressed solely on the facts and assumptions set forth herein and are specifically limited to the investigation and examinations stated.

The person responsible for preparing the financial statements of the Issuer contained in the Information is Mr. Charles Shirley, Treasurer and Director of the Company ("Mr. Shirley"), who prepared the unaudited financial statements as part of his duties to manage the Company's accounting and back office operations. Mr. Earle G. Hickey, Officer of the Company and Mr. Shirley participated in the gathering of the Information for the Issuer's financial statements and both have reviewed the Issuer's unaudited financial statements and Issuer's Information. The financial statements contained in the Information have not been audited. The financial statements were prepared in accordance with GAAP.

The Issuer's transfer agent is Pacific Stock Transfer, Inc. (the "Agent"), 6725 Via Austi Pkwy, Suite 300, Las Vegas, Nevada 89119, phone (702) 361-3033. The Agent is registered with the United

States Securities and Exchange Commission as such under the Securities Act. I have confirmed the number of outstanding shares of the Issuer set forth in the Information with the Agent.

The undersigned attorney has (a) personally met with management and a majority of the directors of the Issuer, (b) reviewed the Information posted by the Issuer on the OTC Disclosure & News Service, and (c) discussed the Information with the majority of the directors of the Issuer.

To my knowledge, after inquiry of management and the directors of the Issuer, the Issuer, no holder of five percent (5%) or more of its securities, nor the Issuer's counsel is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

As a result of the foregoing, I am of the opinion that the Information:

(i) constitutes "adequate current public information" concerning the Issuer's securities (the "Securities") and the Issuer, and "is available" within the meaning of Rule 144(c)(2) of the Securities Act,
(ii) includes all the information that a broker-dealer would be required to obtain from the Issuer in order to publish a quotation for the Securities pursuant to Rule 15c2-11 of the Securities Exchange Act of 1934,
(iii) complies as to form with the OTC Markets Group's Disclosure Guidelines for Providing Adequate Current Information, available at www.otcmarkets.com, and
(iv) has been posted through the OTC Disclosure and News Service.

The undersigned attorney is admitted to practice in the State of Maryland, and I do not express any opinion with respect to the applicable laws, or the effect or applicability of the laws, of any jurisdiction other than those of the State of Maryland, the General Corporation Law of the State of Maryland, and the securities laws of the United States of America. I am permitted to practice before the United States Securities and Exchange Commission and have not been prohibited from practice thereunder. In particular, but without limitation, I do not express any opinion with respect to the Blue Sky or securities laws of any State or other jurisdiction (other than the federal securities laws of the United States of America). The undersigned signatory is a United States resident.

This opinion speaks only of the above date and is based solely on the facts and circumstances known to us as of such date. We have assumed that (i) all information in all documents reviewed by us is true and correct, (ii) all signatures on all documents reviewed by us are genuine, (iii) all documents submitted to us as originals are true and complete, (iv) all documents submitted to us as copies are true and complete copies of the originals thereof, and (v) each natural person signing any document reviewed by us had the legal capacity to do so. We express no opinion as to any matter other than as expressly set forth above, and no opinion on any other matter may be inferred or implied from this Letter.

In rendering this opinion, I assume no obligation to revise, update or supplement this opinion in response to any subsequent factual or legal developments.

This opinion is rendered solely to OTC Markets and no person other than OTC Markets is entitled to rely upon it. However, I grant OTC Markets full and complete permission and rights to publish this

opinion through the OTC Disclosure & News Service for viewing by the public and regulators. This Letter may not be used for any other purpose or relied upon by any other person or entity other than OTC Markets without our prior written consent.

Sincerely,

JUAN A. MAYET, JR, ESQ.
