Re: No Borders, Inc.

Gentlemen:

This letter is written on behalf of my client, No Borders, Inc., a Nevada corporation (the "Company"). OTC Markets Group, Inc. is entitled to rely on this letter in determining if the Company has made adequate public disclosure of current information within the meaning of Rule l44(c)(2) under the Securities Act of 1933, as amended (the "Securities Act"). I am a United States resident and have been retained by the Company as outside general counsel. This information constitutes (i) "adequate current public information" concerning the securities and the Company and "is available" within the meaning of Rule 144(c)(2) under the Securities Act, (ii) includes all of the information that a broker-dealer would be required to obtain from the Company to publish a quotation for the Securities under Rule l5c2-11 under the Securities Exchange Act of 1934 (the "Exchange Act"), (iii) complies as to form with the Pink OTC Markets' Guidelines for Providing Adequate Current Information, which are located on the Internet at www.otcmarkets.com and (iv) has been posted through the OTC Disclosure and News Service.

The Company's transfer agent is Pacific Stock Transfer Company, 6725 Via Austi Parkway, Suite 300, Las Vegas, Nevada 89119. The transfer agent is registered with the Securities Exchange Commission. The method used by me to confirm the number of outstanding shares was a review of the Company's public filings and confirmation by the transfer agent.

I have consulted with the following, in the rendering of my opinion:

Name	Title	Address	Shares Owned	Restricted	Consideration	Information Provided
Jason Fierro	Executive Officer, and Director	6613 Corte Real, Carlsbad, California 92009	10,000 shares of Series A Preferred Stock. The Preferred Stock has voting control of the Company.	Yes. Legend.	Transfer of Assets	Details of the acquisition of controlling interest.
Black Ice Advisors, LLC	Consultant.	One Commerce Center 1201 Orange Street, No. 600 Wilmington, Delaware 19899	None.	Yes. Legend	Purchase of Convertible Debt by Black Ice, Advisors LLC.	Details of the acquisition of controlling interest by Mr. Fierro and convertible debt.

InfoSpan, Inc.	Control Person	31878 Del Obispo Street,, Suite 118, San Juan Capistrano, California	95,945,339 shares of common stock	Yes. Affiliate.	Unknown. The shares have been held since 2005. No information was provided. The Company does not know who are the control persons of InfoSpan.	None

I have made specific inquiry of each of the persons listed above, persons engaged in promotional activities regarding the Company, and persons owning more than ten percent (10%) of the Securities (collectively, the "Insiders"), and based upon such inquiries and other information available to me, any sales of the Securities by Insiders within the twelve-month period prior to this opinion have been made in compliance with Rule 144, including, without limitation, any required filings of Form 144, and nothing has come to my attention indicating that any of the Insiders is in possession of any material non-public information regarding the Company or the Securities that would prohibit any of them from buying or selling the Securities under Rules 10b-5 or 10b5-1 under the Exchange Act. However, to the best of my knowledge, no Securities of the Company have been transferred within the last twelve months.

I reviewed the information published by the Company through the OTC Disclosure and News Service, and met personally, via SKYPE, with Jason Fierro, the President, Vice President, Secretary, Treasurer, and sole director of the Company, to discuss the information and quality assurance with respect to such information.

To the best of my knowledge, and after discussion with all the Company's management and directors, neither the Company, any 5% or more shareholder, nor counsel for the Company is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

No person other than OTC Markets Group, Inc. is entitled to rely on this letter. I give OTC Markets Group, Inc. permission to publish this letter in the OTC Disclosure and News Service for viewing by public and regulators.

If you have any questions, please do not hesitate to call us.

Very truly yours,

NORMAN T. REYNOLDS, LAW FIRM, P.C.
