Notes to Unaudited Consolidated Financial Statements

For the three months ending March 31, 2015 and 2014

(Unaudited)

NOTE 1. THE COMPANY AND ITS SIGNIFICANT ACCOUNTING POLICIES

The Company

The Company was originally incorporated in Delaware on March 31, 1993 as ADV Acquisition Corp. The Company had numerous name changes and on February 15, 2008 re-domiciled in Florida as International Biofuels, Inc. On September 23, 2010 the Company changed its name to iMD Companies, Inc.

The Company through its subsidiaries Optimum Mobile Imaging LLC (OMI) and Integrated Medical Diagnostics perform ultrasound procedures as ordered by physicians in their clinics on their patients. OMI operates in Arizona as an Independent Diagnostic Testing Facility (IDTF) which is licensed by Medicare and is contracted with most health insurance carriers in AZ for reimbursement of medically necessary procedures.

On September 24, 2013 the Company purchased 51% of R-Quest Hydroponics, Inc. that is a software and hardware manufacturer for the Hydroponics industry. The Company issued 100,000,000 common shares of the Company valued at $2,000,000 based upon its stock value at the time. The acquisition has been written down to the value of its acquired assets and intellectual property and is fully consolidated into the financial statements with a corresponding minority interest.

On April 24, 2014 the Company acquired 100% of Lumz'n Blooms LTD for 10,000,000 common shares. It's main products allow consumers to "Bring the Sun Indoors". Lighting, ballasts, growing materials are considered the "Pickaxe and Shovel" of the "Green Rush". Over the past 7 plus years Lumz'n Blooms has developed strong distribution channels and today counts *Central Garden and Pet, HomeDepot.com, Amazon Prime, Bi-Mart, Orchard Supply* as well as hundreds of independent Nursery, Hardware and Hydroponic Retailers among its customers. These established distribution channels, combined with their extensive product line and industry knowledge, makes Lumz'n Blooms a foundational acquisition for building future growth.

The unaudited financial statements included herein were prepared from the records of the Company in accordance with Generally Accepted Accounting Principles. These financial statements reflect all adjustments that are, in the opinion of management, necessary to provide a fair statement of the results of operations and financial position for the periods presented. Significant adjustments may be required upon the financial statements being audited to be in conformity with Generally Accepted Accounting Principles.

Principles of Consolidation

The Company's consolidated financial statements include the assets, liabilities and operating results of the Company and its wholly owned subsidiaries. Minority interest is recorded for consolidated values not owned by the company. The Company consolidates on its books the following companies:

Name	Ownership %
Hyper-Interactive Marketing	100
Optimal Mobil imaging	100
Integrated Medical Diagnostics	100
R-Quest Hydroponics	51

Use of Estimates

The unaudited financial statements included herein were prepared from the records of the Company in accordance with Generally Accepted Accounting Principles. These financial statements reflect all adjustments that are, in the opinion of management, necessary to provide a fair statement of the results of operations and financial position.

Cash & Cash Equivalents

The company's policy is to consider cash and cash equivalents to consist of checking accounts, money market accounts or certificates of deposit having maturity dates of 180 days or less.

Financial Instruments

Financial instruments consist primarily of cash, security deposits and obligations under accounts payable and accrued expenses. The carrying amounts of cash, accounts receivable, security deposits, accounts payable and accrued expenses approximate fair value because of the short-term maturity of those instruments.

Income Taxes

The Company records its federal and statement income tax liability as it is incurred.

NOTE 2. INVESTMENTS

The Company consolidates R-Quest Hydroponics on its books at its estimated fair value of $300,000 .

NOTE 3: INTELLECTUAL PROPERTY

Software analysis and database programs are owned by the company but a shareholder and former President holds a lien on the PCI HeartScan database, analysis software and reporting programs.

NOTE 4: CONVERTIBLE NOTES

Retired Convertible Notes

On January 12, 2013 the Company issued a convertible note for $120,000 that accrues interest at 8% per annum on the outstanding balance. The principal and accrued interest on the note are convertible at a 55% discount from the lowest trade price during the prior 180 days but interest can not be converted below the par value of the stock. During the quarter ended June 30, 2014 the Holder converted $50,000 of principal for 9,018,279 common shares. The outstanding balance of the note was $70,000 at June 30, 2014. During the quarter ended September 30, 2014 the Holder sold principal amounts of the note for $25,000 and $23,500 to two different third parties. The third party that purchased $25,000 of principal converted $14,000 of it into 14,000,000 common shares during the quarter. The party that purchased $23,500 of principal converted the entire amount into 3,804,407 common shares. At September 30, 2014 the outstanding principal balance of the original Holder on the original note $21,500 in principal and $3,010 of accrued interest and the outstanding principal balance with a third party from the original note was $11,000 and $1,540 of accrued interest. During the quarter ended December 31, 2014 the Holder converted all of the remaining principal and accrued interest for 15,500,000 common shares.

On February 1, 2012 the Company issued a convertible note for $10,000 accruing an annual interest at 8% of the outstanding balance. The principal and accrued interest on the note are convertible at a 55% discount from the lowest trade price during the prior 180 days but interest can not be converted below the par value of the stock. On April 9, 2014 the note was sold to a third party. During the quarter ended September 30, 2014 the third party converted the entire outstanding principal and accrued interest totaling $12,877 for 2,341,220 common shares resulting in the payoff of the note.

On August 26, 2013 the Company issued a convertible note for $53,699 that accrues interest at 8% per annum on the outstanding balance. The principal and accrued interest on the note are convertible at a 55% discount from the lowest trade price during the prior 180 days but interest can not be converted below the par value of the stock. During the quarter ended September 30, 2014 the Holder converted the remaining $26,198 of principal into 5,424,895 common shares resulting in the payoff of the original note.

On February 1, 2012 the Company issued a convertible note for $27,000 and it had an outstanding balance of $27,000 at June 30, 2014. The note accrues annual interest at 8% of the outstanding balance. The principal and accrued interest on the note are convertible at a 55% discount from the lowest trade price during the prior 180 days but interest can not be converted below the par value of the stock. There were no conversions during the quarter ended September 30, 2014. During the quarter ended March 31, 2015 the outstanding principal balance and accrued interest was paid off with the issuance of 15,000,000 common shares.

Outstanding Convertible Notes

On November 19, 2010 the Company issued a convertible note for $85,000 that accrues interest at 8% per annum on the outstanding balance. The principal and accrued interest on the note are convertible at a 55% discount from the lowest trade price during the prior 180 days but interest can not be converted below the par value of the stock.
