Re: Direct Equity International, Inc. (DEQI)

Dear Ladies / Gentlemen:

I am a United States citizen, licensed to practice law in the State of Illinois and before the Securities and Exchange Commission. I hereby represent that neither I nor my firm are under current investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

This law firm was retained by Direct Equity International, Inc. (DEQI) to render an opinion as to the adequacy of the current information posted to the OTC Market's disclosure and news service website.

As to matters of fact, I have assumed the genuineness of all signatures set forth on each document, the authenticity of all original corporate documents, and the conformity to original documents of all copies of such documents as may have been supplied to me. During the course of my examination, I have relied upon information from public officials, officers of the Issuer and other sources, all of which I believed to be reliable. OTC Markets Group is entitled to rely on this letter in determining whether the Issuer has made adequate current information publicly available. OTC Markets Group is granted full and complete permission and rights to publish the letter through the OTC Disclosure & News Service for viewing by the public and regulators.

Regarding this letter, I have reviewed the following documents published at http://www.otcmarkets.com/stock/DEQI/financials

.

Publish Date	Report Title	Period End Date
July 23, 2015	Officer/Director Disclosure	Dec 31, 2014
July 23, 2015	Annual Report / Financial Statement for 2014, 2013	Dec 31, 2014

Based on the examination and inquiry set forth above, I am of opinion that the Information: (a) constitutes “adequate current public information” concerning the common stock of the Company quoted on the OTC Markets (“Securities”) and the Company itself, and “is available” within the meaning of Rule 144(c)(2) under the Securities Act; (b) includes all of the information that a

broker-dealer would be required to obtain from the Company to publish a quotation for the Securities under Rule 15c2-11 under the Securities Exchange Act of 1934, as amended ("Exchange Act"); (c) complies as to form with the OTC Markets' Guidelines for Providing Adequate Current Information, which are located on the Internet at http://www.otcmarkets.com/companies-advisors/otc-companv-reportii1lr; and (d) has been posted through the OTC Disclosure and News Service.

The person responsible for the preparation of the Issuer's financial and disclosure statements contained herein is Claire Singleton. The statements are prepared in conformity with accounting principles generally accepted in the United States. In all material respects, they fairly present the financial position results of operations and cash flows for the periods presented. Ms. Singleton's experience and knowledge of accounting qualifies her to prepare the company's un-audited financial documents.

In reaching my conclusions, I have had numerous emails and telephone conversations with the corporate management. On July 27, 2015, I conversed face-to-face with management, and the majority of the Directors of the Issuer, namely Ms. Claire Singleton, Mr. Dean Becker, and Mr. Peter P. Spagone, Jr., *via* Skype, during which time I had ample opportunity to satisfactorily perform certain due diligence inquiries pertaining to the information provided to me for review. I have also previously personally met and consulted with management and the majority of the directors to discuss relevant information. To the best of my knowledge, I believe all such sources to be reliable. I have assumed the genuineness of all signatures on any documents not executed in my presence.

The Current Information posted by the Company constitutes adequate current public information and is publicly available as those terms are defined within the meaning of (i) Rule 1 44(c)(2) under the Securities Act; and (ii) as outlined in Rule 15c2-11 (a)(5i) through paragraph (a)(5)(xiv) and paragraph (a)(5)(xvi). The aforementioned Information Statement complies as to form and content with the OTC Markets' Group guidelines for Providing Adequate Current Information as published by the OTC Disclosure and News Service.

To the best of my knowledge, neither the members of management, the record of the Company, nor a holder of 5% or more of the company's securities are currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

The Issuer's transfer agent is Signature Stock Transfer, Inc., located at 2632 Coachlight Ct., Plano, TX, 75075; 972-612-4120 (ph.); SignatureStock@aol.com. Signature Stock Transfer, Inc. is registered under the Exchange Act and the SEC. The Issuer's Director, Ms. Claire Singleton, confirmed the number of outstanding shares of common stock in the Information Statement by written confirmation from the transfer agent.

I have based the opinions and conclusions expressed herein upon the facts that have been provided to me by the Company, and on the accuracy of those facts and representations. In the event such facts and representations are determined not to be true, this opinion shall be invalid, and have no legal effect with respect to the various entities relying upon said opinion.

Respectfully submitted,

Elisa T. Drew
