Such forward-looking statements include statements about the Company's expectations, beliefs or intentions regarding actions contemplated by this Information Statement, our potential business, financial condition, results of operations, strategies or prospects. Because forward-

looking statements relate to matters that have not yet occurred, these statements are inherently subject to risks and uncertainties that could cause our actual results to differ materially from any future results expressed or implied by the forward-looking statements. Furthermore, such forward-looking statements speak only as of the date of this Information Statement. PROPOSAL NO. 2:
RATIFICATION OF THE APPOINTMENT OF WEINBERG & CO PA

The Board of Directors has selected the accounting firm of Weinberg & Company, PA ("Weinberg"), to serve as our external and independent PCAOB audit public firm for the remainder of the 2015 fiscal year. We are asking our stockholders to ratify the selection of Weinberg as our registered public accounting firm. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of Weinberg to our stockholders for ratification because we value our stockholders' views on the Company's independent registered public accounting firm and as a matter of good corporate practice.

If our stockholders fail to ratify the selection, it will be considered as a direction to the Board to consider the selection of a different firm. The Board considers Weinberg to be well qualified to serve as the independent auditors for the Company. However, even if the selection is ratified, the Board of Directors in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders. To the Company's knowledge, a representative from Weinberg is not expected to be present at the Annual Meeting.

PROPOSAL NO. 3:
RATIFICATION OF THE APPOINTMENT OF BRUNSON CHANDLER & JONES PLLC

The Board of Directors has selected Brunson Chandler & Jones PLLC ("BCJ"), to serve as our securities counsel here in the United States of America for the remainder of the 2015 fiscal year. We are asking our stockholders to ratify the selection of BCJ as our US securities counsel. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of BCJ to our stockholders for ratification because we value our stockholders' views on the Company's securities counsel as a matter of good corporate practice.

If our stockholders fail to ratify the selection, it will be considered as a direction to the Board to consider the selection of a different firm. The Board considers BCJ to be well qualified to serve as our US securities counsel for the Company. However, even if the selection is ratified, the Board of Directors in its discretion may select a different securities counsel firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders. To the Company's knowledge, a representative from BCJ is not expected to be present at the Annual Meeting.

PROPOSAL NO. 4:
RATIFICATION OF THE CHANGE IN PERSONAL PARTICIPATION BY 100% OF THE COMPANY'S BOARD OF DIRECTORS

In light of the Company's smaller size and financial position, the Board of Directors is proposing a change to the existing "physical attendance" policy for its Board of Directors. The current policy is for one hundred percent (100%) of the Board to be physically present at the Annual Shareholders Meeting. This was to partly provide access to shareholders attending the meeting and to ensure the Board met in person in full at least once a year. At this juncture the Board believes it is in the best interest of the

Company to change this policy to a two-thirds (2/3) attendance "in person" requirement. Reasons include the fact that:

- As of this meeting, not one shareholder, other than Versant I, Inc., has yet to attend an ASM;
- That the Company's financial position demands that funds previously used to fly a Board member into the Company's headquarters is better used to pay the Company's debt;
- That with video conferencing and the long-standing relationship between Board members, electronic means can accomplish the same as meeting in person.

Therefore, the Board of Directors recommends the change to two-thirds participation for its members at the ASM. The majority shareholder is voting to approve this change so we are not seeking a vote on this Proposal but are simply notifying the remaining shareholders of the change.

OTHER MATTERS

As of the date of this Information Statement, management does not know of any other matters that will come before the Annual Meeting.

Delivery Of Documents To Security Holders Sharing An Address

If hard copies of the materials are requested, the Company will send only one Information Statement and other corporate mailings to stockholders who share a single address unless we received contrary instructions from any stockholder at that address. This practice, known as "householding," is designed to reduce our printing and postage costs. However, the Company will deliver promptly upon written or oral request a separate copy of the Information Statement to a stockholder at a shared address to which a single copy of the Information Statement was delivered. You may make such a written or oral request by (a) sending a written notification stating (i) your name, (ii) your shared address and (iii) the address to which the Company should direct the additional copy of the Information Statement, to the Company, Attention: Corporate Secretary, STL Marketing Group, Inc., 10 Boulder Crescent, Suite 102, Colorado Springs, CO 80903; Telephone: (719) 219-5797.

If multiple stockholders sharing an address have received one copy of this Information Statement or any other corporate mailing and would prefer the Company to mail each stockholder a separate copy of future mailings, you may send notification to or call the Company's principal executive offices. Additionally, if current stockholders with a shared address received multiple copies of this Information Statement or other corporate mailings and would prefer the Company to mail one copy of future mailings to stockholders at the shared address, notification of such request may also be made by mail or telephone to the Company's principal executive offices.
