FORWARD LOOKING STATEMENTS

This Form and other reports filed by Registrant from time to time with the Securities and Exchange Commission (collectively the "Filings") contain or may contain forward looking statements and information that are based upon beliefs of, and information currently available to, Registrant's management as well as estimates and assumptions made by Registrant's management. When used in the filings the words "anticipate", "believe", "estimate", "expect", "future", "intend", "plan" or the negative of these terms and similar expressions as they relate to Registrant or Registrant's management identify forward looking statements. Such statements reflect the current view of Registrant with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to Registrant's industry, Registrant's operations and results of operations and any businesses that may be acquired by Registrant. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned.

Although Registrant believes that the expectations reflected in the forward looking statements are reasonable, Registrant cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States, Registrant does not intend to update any of the forward-looking statements to conform these statements to actual results.

SUBMISSION OF MATTERS TO A VOTE OF SECURITY HOLDERS

Reverse Stock Split

On September 2, 2014, FINRA approved the majority shareholders of the Company approval a reverse stock split of one thousand for one (1000:1) of the Company's total issued and outstanding shares of common stock (the "Stock Split") Pursuant to the Company's Bylaws and the Wyoming Statutes, a vote by the holders of at least a majority of the Company's outstanding votes is required to effect the Stock Split. As of the record date of September 2, 2014, the Company had 204,713 voting shares of common stock issued and outstanding. The consenting stockholders of the shares of common stock are entitled to votes, which represents approximately 67.6% of the voting rights associated with the Company's shares of common stock. The consenting stockholders voted in favor of the Stock Split.

The Board of Directors had previously considered factors regarding their approval of the Stock Split including, but not limited to: (i) the current volume of trading and trading price of the Company's shares of common stock on the OTC Market and potential to increase the marketability and liquidity of the Company's common stock based on structuring of potential business operations and acquisition; and (ii) limitation of marketability of the Company's common stock among brokerage firms and institutional investors based upon current per-share price. The Board of Directors of the Company approved the the Stock Split and recommended the majority shareholders of the Company review and approve the Stock Split.
