## NOTES TO FINANCIAL STATEMENTS

## JUNE 30, 2015

### (1)Company History

We were organized under the laws of the State of Nevada on February 1, 1989, under the name East End Investment, Inc. for the purpose of engaging in the business of investing and all other lawful businesses. We have undertaken a number of name changes during our history. In 2013, management elected to change the name of the corporation to Gemini Group Global Corp. to better reflect the company's business strategy.

### (2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

#### Method of Accounting

This summary of significant accounting policies of Polaris International Holdings, Inc. (the Company) is presented to assist in understanding the company's financial statements. The financial statements and notes are the representations of the Company's management, who is responsible for their integrity and objectivity. These accounting polices conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

#### Revenue Recognition

Revenue is recognized when the Company provides services. The Company will be paid directly by the client. The payment will be made within 30 days to 60 days upon the Company completing its services. Some payments are made in installments upon an executed service agreement.

#### Cash and Cash Equivalents

The Company considers all short-debt securities with maturity of three months or less to be cash equivalents.

#### Fair Value of Financial Instruments

Pursuant to SFAS No. 107, "Disclosures about Fair Value of Financial Instruments", the Company is required to estimate the fair value of all financial instruments included on its balance sheet. At Quarter End financial instruments consisted of cash and cash equivalents, accounts receivable, and accounts payable. The company considers its items in the financial statements to approximate their value due to the relatively short period of time between organization of instruments and their expected realization.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

(3)DEBT

The Company has $380,000 in convertible notes payable as of JUNE 30, 2015.
