B2 Digital

In February 2017, the Board of Directors approved a complete restructuring, new management team and strategic direction for the company. Capitalizing on its history in television, video and technology, the company is now forging ahead and becoming a full service Live Event Sports Company.

The Chairman and CEO of the company is now Greg P. Bell. Mr. Bell has over 30 years of global experience developing more than 20 companies in the Sports, Television, Entertainment, Digital Distribution and Banking Transaction industries. Capitalizing on the combination of his expertise, relationships and experience as well as his involvement with more than 40,000 LIVE events over his career for major sports leagues and entertainment venues, B2 Digital is in the process of developing and acquiring companies to become a Premier Vertically Integrated LIVE Event Sports Company.

Live Events will be the core business. B2 Digital will also be developing and expanding the LIVE Event Systems. These include Systems for Event Management, Digital Ticketing Sales, Digital Video Distribution, Digital Marketing, PPV (Pay per View), Fighter Management, Merchandise Sales, Brand Management and Financial Control Systems.
