

## **Pocket Games Inc, subsidiary Kicksend relaunches its million user photo App**

Pocket Games kicks its photo app back into play with its launch today

New York, N.Y. – (Marketwire) –May 8, 2017 –Pocket Games, Inc. is pleased to announce that it has now released its the 'Kicksend' photo App and it is available again to its 1m+ user base.

CEO, David Lovatt, stated “We have taken our time to go back out to market with the Kicksend Photo App for the simple reason that it has to be right; we had to get the right partners to go back out to market with. Now the release is out in the market, I can focus on our next big opportunity.”

At its peak, Kicksend was achieving revenues in excess of \$2m per year and with the recently announced integration of FujiFilm, Kicksend stands out from the crowd with a simple and fast way to print out high quality photos either for collection at Walmart or delivered directly to the home – globally!
