# **My Social Income, Inc. Announces the resignation of Chief Executive Officer, Christopher Kimberlin**

## ***Enhances Net Stock Holder Equity***

(Irvine, California, May 31, 2017)

My Social Income, Inc. ("MSOA") (**OTC: MSOA**) COO, Colleen Schmidt, wishes to inform the company's shareholders that Christopher Kimberlin has resigned. The Board of Directors has accepted Christopher Kimberlin's letter of resignation. The ambitious acquisition plan proposal by Christopher Kimberlin required significant financing which did not materialize. Therefore, the company was unable to finalize the acquisition of Blu Sol Massage Spa Tolleson.

While these developments represented a temporary setback the company plans to announce very shortly a new CEO and the company's strategy for significant acquisitions in the near future.

With the appointment of a new CEO the company will also have a new name. It will be known as PDX Partners, Inc. This change takes effect June 1, 2017. We are excited for the new chapter in our business.

### **ABOUT MY SOCIAL INCOME, INC.**

MSOA is a 19 year old company that has been in the telecommunications business for many years. As of the present quarter, it will no longer be in the telecom industry.

### **Safe Harbor Statement**

This release includes "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E and/or 27E of the Securities Exchange Act of 1934 that are based upon assumptions that in the future may prove not to have been accurate and are subject to significant risks and uncertainties, including statements as to the future performance of the company and the risks and uncertainties detailed from time to time in reports filed by the company with the Securities and Exchange Commission. Statements contained in this release that are not historical facts may be deemed to be forward-looking statements. Investors are cautioned that forward-looking statements are inherently uncertain. Although the company believes that the expectations reflected in its forward-looking statements are reasonable, it can give no assurance that such

expectations or any of its forward-looking statements will prove to be correct. Factors that could cause results to differ include, but are not limited to, the company's ability to raise necessary financing, retention of key personnel, timely delivery of inventory from the company's suppliers, timely product development, product acceptance, and the impact of competitive services and products, in addition to general economic risks and uncertainties.
