

Andiamo Corporation Shareholder Update

Lansing, MI July 13, 2017 – Andiamo Corporation (OTCPK: ANDI) announced today a set of significant short-term goals, including key growth initiatives for the Company. Andiamo’s first goal will be to get the Company back to Current listing status with OTC Markets. Management is feverishly working towards this goal, and plans to have this accomplished in the next few days.

Throughout the remainder of 2017 and into 2018, the Company plans to initiate a capitalization program allowing Andiamo greater flexibility to utilize the assets of the Company in the future for corporate purposes. The Company’s Capitalization Program is a stringent and coherent strategy which effectively identifies the necessary steps required to greatly enhance and grow the Company’s revenue stream. Andiamo will employ best-practices for creating the structures and valuations of each investment and using the Company’s website and Social Media outlets, Andiamo management will strive to keep investors informed as developments occur. As part of this program, the Company will also seek to reduce its debt.

Another integral part of Andiamo’s 2017 growth initiative is maintaining an aggressive merger and acquisition campaign in order to expand its revenue and income streams. The Company is currently in discussions with several companies from diverse industries, and hopes to bring one or more of these acquisitions to fruition in the near future.

Along with this campaign, the Company is seeking to launch a new product of its own, and is in the final stages of completing a Production Partnership with the manufacturer of a key ingredient in this product. Once this partnership is finalized, details of the agreement as well as a projected launch date for the new product will be announced.

“We are constantly looking for opportunities to increase shareholder value, and Andiamo will continue to update its shareholders as we progress on our business plan,” stated William White, Chairman and CEO of Andiamo Corporation. “Our plan is to use our Website as well as various Social Media outlets to increase shareholder and market awareness.”

About Andiamo Corporation:

Andiamo Corporation, a Wyoming company, is a publicly traded company which offers prepackaged software services. Increased revenue and business opportunities have helped expand its role as a holding company. Specifically, we are looking for established companies with recurring revenues who need a capital infusion in order to move their business to the next level of profitability. With our additional resources, Andiamo now offers an end-to-end solution to ensure the success of our clients inside the micro-cap funding community, getting them the funding they need to bring their products to a national level with the aim of improving their bottom line.
