Lansing, MI August 30, 2017 – [Andiamo Corporation](#) (OTCPK: ANDI) is pleased to announce one of its holdings, Northeast Music Production LLC (NMP), through its wholly owned subsidiaries, Halogen Music Group and Halogen Media Works, has issued tour updates for its artists.

Northeast Music Production is announcing several artist tours, the first of which is the United States Tour Debut for Canadian powerhouse, [The Damn Truth](#). The band, based in Montreal, QC, has already established themselves as a band to watch. Their first radio single, “[Heart Is Cold](#)” dominated national radio charts with the combination of front woman **Lee-La Baum**’s scorching vocals and brilliantly orchestrated instrumentals. Lee-La is also the voice of the **YSL BEAUTY** perfume **MON PARIS**, singing U2’s “Love Is Blindness.” Watch the commercial here: <http://bit.ly/2wQzt0Q>

The tour, beginning September 13th, will see the band touring through the Northeast making stops throughout Vermont, New Hampshire, New York, and Pennsylvania, stretching through mid-February with a highly sought after spot on the completely sold out [Rock Legends Cruise](#), performing alongside Sammy Hagar & The Circle, Bad Company, John Kay & Steppenwolf, Todd Rundgren, Blue Oyster Cult, Quiet Riot, and several more rock legends. From there, the month of March has the band traveling through the Southwest to California and up the coast to Oregon to finish out their US National run, just in time to launch their 2018 Canadian tour. Once done in their home country, the band will be back performing select US dates for the remainder of 2018 and will, by then, be a “Got to Get Band” for all the hottest Summer and Fall festivals.

In addition to The Damn Truth, Boston, MA based Reggae/Funk band, [The Elovaters](#) are planning October Midwest and February Southwest tour dates. The Elovaters continue to grow in popularity and have seen tremendous fan response to their debut album titled “[The Cornerstone](#).” The band has made several recent festival debuts including California’s Sierra Nevada Music Festival and Lakewood Florida’s Irie Vibes. They continue to grow and engage their fan base as they play alongside regional favorites John Brown’s Body, New Kingston, The Movement, and The Easy Star All-Stars.

Northeast Music Production is currently in the planning stages for several Fall Northeastern festivals and is looking to develop and expand at least three additional festivals in the Northeast in 2018. The company is currently negotiating terms to develop several small to mid-sized productions featuring named regional and national bands with a focus on community engagement and entertainment.
