

Andiamo Corporation Solidifies New Business Direction and Corporate Mission

Lansing, MI September 13, 2017 – Andiamo Corporation (OTCPK: ANDI) announced today that in support of its key growth initiatives, the Company has decided to move away from a one product business model and transition into a true source of developmental resources for other companies, spread across a diverse range of industries. This rebranding of Andiamo’s corporate culture and direction has enabled the Company to expand its role as a holding company, resulting in the new acquisitions ANDI has made in the last few weeks.

Throughout the remainder of 2017 and into 2018, the Company plans to continue this aggressive acquisition initiative, and as part of the rebranding effort has increased its Social Media presence and updated our Corporate description on our website and blog. Additionally, updates for our Company Profile page on OTC Markets have been submitted and will show up there as a Verified Company Profile in the next couple of days.

“We are very excited about the positive business effects this new direction has already had on the Company, and we will continue to seek out additional new business opportunities,” stated William White, Chairman and CEO of Andiamo Corporation. “Our plan is to use our Website as well as various Social Media outlets to increase shareholder and market awareness.”

About Andiamo Corporation:

Andiamo Corporation, a Wyoming domiciled publicly traded company, is a dedicated partnership of multi-talented people striving to utilize the micro-cap world in the proper manner, with the goal of ensuring that smaller companies in need of financing and direction have these resources available to them. We believe it is our duty to act responsibly and honestly to help ensure the success of our country’s greatest source of stability and job growth – the small business owner. In a realigning of our corporate focus and mission, we have transitioned from a one product company into a true source of developmental resources for other companies spread across a diverse range of industries. This rebranding of our culture and direction has enabled us to expand our role as a holding company, resulting in a marked increase in new business opportunities. Specifically, we look for established companies with recurring revenues who need a capital infusion to move their business to the next level of profitability. With our additional resources and contacts, Andiamo now offers an end-to-end solution to ensure the success of our clients inside the micro-cap funding community, getting them the funding they need to bring their products to a national level with the aim of improving their bottom line.
