LAS VEGAS, NEVADA (OTCMarkets-12/22/2017) The Vision Group of companies and StereoVision Entertainment, Inc. (OTC PINK: [SVSN](#)), a publicly traded Nevada corporation reports their 'America 1<sup>st</sup> VA Hospital Tour' featuring the Dixie Dolls Trio (<https://www.facebook.com/dixiedollstrio>) was a big hit with the veterans and staff at the Bay Pines VA hospital in St Petersburg, Florida.

"It's very gratifying to be part of an event that puts such happy smiles on the faces in the audience," said CannaVision's COO Steven Preovich. "In meeting with the vets at the Bay Pines VA hospital's 'America 1<sup>st</sup> VA Hospital Tour' I was humbled by the sacrifice these vets make for our freedom. The courage they display every day is an example that we all should try to emulate. A central theme of CannaVision's corporate mission is to advocate for making medical cannabis available to veterans. There's compelling anecdotal evidence that indicates that medical cannabis is effective in the treatment of PTSD, depression, and chronic pain, and is an effective non-lethal substitute for opioids. I'm very much looking forward to attending the next "America 1<sup>st</sup> VA Hospital Tour" show."
