

## **StereoVision Appoints Jack Honour Executive Chairman of the Board of Directors with Immediate Effect - Extends His CEO Deal Thru 2020**

Las Vegas NV--(OTCMarkets--1/20/2018)--StereoVision Entertainment Inc (OTC:SVSN) a publicly traded company announced today that Jack Honour has been appointed Executive Chairman with immediate effect. His CEO contract is extended through 2020.

“We’re encouraged by the positive movement in Vision Group’s associated companies,” said StereoVision CEO Jack Honour. “StereoVision (SVE) is now generating revenues from project management fees, CannaVision (CV) is generating revenues from our medical cannabis clinics and having working capital available, and both SVE’s and Inspirational Vision Media’s (IVM) IP’s are receiving considerable interest due to the strong economy and the billions of dollars now being spent on original programming. Upon an effective S-1 SEC registration statement for CV’s securities, which is fully funded and underway, we plan to leverage our equity position in CV to receive adequate credit lines to provide full financing’s with no partners or debt to produce IVM’s theatrical Faith Based feature film **“Three Dimensions Of Jerusalem”** (<http://stereovision.com/pdf/tdoj-project-overview.pdf>) whose screenplay was written by Best Original Screenplay Academy Award winner Pamela Wallace, and SVE’s 3D action comedy and 3D product integration platform feature film, **“Gonzos 3 Double D”** (<http://stereovision.com/pdf/G3DD-baywatch-website.pdf>) where we’re teamed up with Baywatch Co-Creator and Executive Producer, writer, producer, Michael Berk. Once the credit lines are in place we believe we can fund both films from sponsorships and gap financing foreign sales and product integration contracts which can be completed prior to production. Upon SVE’s leveraged CV equity position being released we’ll distribute all of our undiluted CV equity position pro rata to the SVSN shareholders in a special dividend. We plan to file an S-1 registration statement with the SEC for IVM as well and follow the same formula dispersing SVE’s undiluted IVM stock pro rata to the SVE shareholders. Completion of this plan is expected to take approximately one year and will bring these Vision Group companies to fully operational and publicly traded status.”
