Item 1.01 Entry into a Material Agreement

On February 20, 2015, Symbid Italia SPA (“Symbid Italia”), an Italian corporation created to develop the business of equity crowdfunding in Italy, was formed by our wholly owned subsidiary, Symbid Holding B.V., together with Banca Sella Holding SPA (“Banca Sella”) and Marco Biccocchi Pichi. Through Symbid Italia, we intend to create a new online funding platform, based on our existing crowdfunding technology, in which Italian investors and entrepreneurs can connect, fund and grow together and to digitalize financial services for Italian small and medium enterprises. Symbid Italia is intended to represent the first stage of the European roll-out of our platform outside of The Netherlands. In connection with the formation of Symbid Italia, we paid EURO 250,000 for a 50.01% ownership interest. Banca Sella holds a 30% ownership interest and Mr. Pichi holds a 19.99% interest. The roles and rights of the founding shareholders in managing and developing Symbid Italia are set forth in a 5-year Subscription and Shareholders’ Agreement (the “Agreement”). Banca Sella is an Italian bank with experience in online marketing and the development of distribution channels and innovative banking services. Mr. Pichi is the founder of several technology companies and has extensive executive management experience. The Agreement contains a non-compete provision, restrictions on share transfers, rights of first offer and tag along rights. It also provides for us to provide Symbid Italia with an exclusive royalty free license to use our name and intellectual property in connection with the funding of Italian companies. It further provides for Banca Sella to provide banking services to Symbid Italia.

Symbid Italia’s board of directors consists of five members including two designees of Symbid Holdings B.V., Freek Dech and Robin Slakhorst. The other members of the board are Mr. Pichi and two designees of Banca Sella, Mariano Carozzi and Antonio Valitutti. Mr. Pichi serves as Managing Director.
