**Item 8.01 Other Events**

Our 50.1% owned subsidiary, Symbid Italia S.P.A. (“Symbid Italia”), formed on February 20, 2015, to develop the business of equity crowdfunding in Italy incurred operating losses during the year ended December 31, 2015, in the approximate amount of EURO 107,000. Based thereon and following an extensive review of the prospects of Symbid Italia developing profitable operations in the near future and beyond, the board of directors and shareholders of Symbid Italia have determined that further investment in Symbid Italia is not warranted. This conclusion was based upon an assessment of the current and expected medium term Italian equity crowdfunding market, the view that the current European regulatory framework for equity crowdfunding reflects a country by country market rather than a pan European market which greatly limits expected synergies and economies of scale and because the Italian equity crowdfunding regulations restrict the ability to attract non-domestic investors. At the direction of the Symbid Italia board of directors, a special Symbid Italia shareholder meeting was held on April 29, 2016, at which it was determined to liquidate Symbid Italia and return the residual capital to the Symbid Italia shareholders. Notwithstanding the foregoing, we maintain a positive medium term outlook on the equity crowdfunding market.
