This Agreement, together with the Additional Agreements, constitute the legal, valid and binding obligations of Acquiring Entity, and are enforceable against Acquiring Entity, in accordance with their respective terms, except as such enforcement is limited by bankruptcy, insolvency and other similar laws affecting the enforcement of creditors' rights generally and by general principles of equity.

5.13 Absence of Undisclosed Liabilities. Neither Acquiring Entity nor Department of Coffee and Social Affairs Limited has any material obligation or liability (whether accrued, absolute, contingent, liquidated or otherwise, whether due or to become due), arising out of any transaction entered into at or prior to the Closing, except (a) as disclosed in the Acquiring Entity SEC Documents, (b) to the extent set forth on or reserved against in the balance sheet of Acquiring Entity in the most recent Acquiring Entity SEC Document filed by Acquiring Entity (the "Acquiring Entity Balance Sheet") or the notes to the Acquiring Entity Financial Statements, (c) current liabilities incurred and obligations under agreements entered into in the usual and ordinary course of business since the date of the Acquiring Entity Balance Sheet (the "Acquiring Entity Balance Sheet Date"), none of which (individually or in the aggregate) materially and adversely affects the Condition of Acquiring Entity and (d) by the specific terms of any written agreement, document or arrangement attached as an exhibit to the Acquiring Entity SEC Documents. As of the Closing Date, all liabilities of Acquiring Entity shall have been paid off and shall in no event remain liabilities of the Acquiring Entity, the Company or the stockholders of Acquiring Entity following the Closing.

5.14 Absence of Changes. Since the Acquiring Entity Balance Sheet Date, except as disclosed in the Acquiring Entity SEC Documents, Acquiring Entity has conducted its business in the ordinary course consistent with past practices. Without limiting the generality of the foregoing, except as set forth in the Acquiring Entity SEC Documents, since the Acquiring Entity Balance Sheet Date, there has not been any Material Adverse Effect in the value to Company of the transactions contemplated hereby.

5.15 Tax Returns and Audits. All required federal, state and local Tax Returns of Acquiring Entity have been accurately prepared in all material respects and duly and timely filed, and all federal, state and local Taxes required to be paid with respect to the periods covered by such returns have been paid to the extent that the same have become due, except where the failure so to file or pay could not reasonably be expected to have a material adverse effect upon the Condition of the Acquiring Entity. Acquiring Entity is not and has not been delinquent in the payment of any Tax. Acquiring Entity has not had a Tax deficiency assessed against it and has not executed a waiver of any statute of limitations or the assessment or collection of any Tax. None of Acquiring Entity's federal income, state and local income and franchise tax returns has been audited by any governmental authority; and none of the Acquiring Entity's state or local income or franchise Tax Returns has been audited by any governmental authority. The reserves for Taxes reflected on the Acquiring Entity Balance Sheet are and will be sufficient for the payment of all unpaid Taxes payable by Acquiring Entity with respect to the period ended on the Acquiring Entity Balance Sheet Date. Since the Acquiring Entity Balance Sheet Date, the Acquiring Entity has made adequate provisions on its books of account for all Taxes with respect to its business, properties and operations for such period. Acquiring Entity has withheld or collected from each payment made to each of its employees the amount of all Taxes (including, but not limited to, federal, state and local income Taxes, Federal Insurance Contribution Act Taxes and Federal Unemployment Tax Act Taxes) required to be withheld or collected therefrom, and has paid the same to the proper Tax receiving officers or authorized depositories. There are no federal, state, local or foreign audits, actions, suits, proceedings, investigations, claims or administrative proceedings relating to Taxes or any Tax Returns of Acquiring Entity now pending, and Acquiring Entity has not received any notice of any proposed audits, investigations, claims or administrative proceedings relating to Taxes or any Tax Returns. Acquiring Entity has not agreed, nor is it required, to make any adjustments under Section 481(a) of the Code (or any similar provision of state, local and foreign law), whether by reason of a change in accounting method or otherwise, for any Tax period for which the applicable statute of limitations has not yet expired. Acquiring Entity (i) is not a party to, nor is it bound by or obligated under, any Tax Sharing Agreements, and (ii) does not have any potential liability or obligation to any Person as a result of, or pursuant to, any such Tax Sharing Agreements. Acquiring Entity has no liability for any other taxpayer under U.S. Treasury Regulation 1.1502-6 or any other similar provision.

5.16 Employee Benefit Plans; ERISA. Except as disclosed in the Acquiring Entity SEC Documents, there are no "employee benefit plans" (within the meaning of Section 3(3) of ERISA) nor any other employee benefit or fringe benefit arrangements, practices, contracts, policies or programs other than programs merely involving the regular payment of wages, commissions, or bonuses established, maintained or contributed to by Acquiring Entity, whether written or unwritten and whether or not funded. Any plans listed in the Acquiring Entity SEC Documents are hereinafter referred to as the "Acquiring Entity Employee Benefit Plans."

5.17 Litigation. There is no current legal action, suit, arbitration or other legal, administrative or other governmental proceeding pending or, to the knowledge of Acquiring Entity, threatened against or affecting Acquiring Entity or Department of Coffee and Social Affairs Limited or any of their respective properties, assets or businesses and, to the knowledge of Acquiring Entity, there is no incident, transaction, occurrence or circumstance that might reasonably be expected to result in or form the basis for any such action, suit, arbitration or other proceeding. Neither Acquiring Entity nor Department of Coffee and Social Affairs Limited is in default with respect to any order, writ, judgment, injunction, decree, determination or award of any court or any governmental agency or instrumentality or arbitration authority.

5.18 Licenses. Acquiring Entity possesses from all appropriate governmental authorities all licenses, permits, authorizations, approvals, franchises and rights necessary for Acquiring Entity to engage in the business currently conducted by it, all of which are in full force and effect.

5.19 Interested Party Transactions. There is no known "Affiliate" (as such term is defined in Rule 405 under the Securities Act) as between these entities and therefore a beneficial interest in any contract or agreement to which Acquiring Entity is a party or by which it or any of its assets may be bound or affected, though this in no way affects his fiduciary duties towards the Acquiring entity nor his objective actions on its behalf.

5.20 Obligations to or by Stockholders. Acquiring Entity has no liability or obligation or commitment to any stockholder of Acquiring Entity or any Affiliate or "associate" (as such term is defined in Rule 405 under the Securities Act) of any stockholder of Acquiring Entity, nor does any stockholder of Acquiring Entity or any such Affiliate or associate have any liability, obligation or commitment to Acquiring Entity.

5.21 Assets and Contracts.

(a) Acquiring Entity has good title to, or valid leasehold interests in, all of its properties and assets used in the conduct of its business. All such assets and properties, other than assets and properties in which the Acquiring Entity has leasehold interests, are free and clear of all Liens. Acquiring Entity has complied in all material respects with the terms of all leases to which it is a party and under which it is in occupancy, and all such leases are in full force and effect. Acquiring Entity enjoys peaceful and undisturbed possession under all such leases.

(b) Except as expressly set forth in this Agreement, the Acquiring Entity Balance Sheet or the notes thereto, or the Acquiring Entity SEC Documents, Acquiring Entity is not a party to any written or oral agreement not made in the ordinary course of business that is material to Acquiring Entity. Acquiring Entity does not own any real property. Acquiring Entity maintains no insurance policies or insurance coverage of any kind with respect to Acquiring Entity, its business, premises, properties, assets, employees and agents. No consent of any bank or other depository is required to maintain any bank account, other deposit relationship or safety deposit box of Acquiring Entity in effect following the consummation of the Acquisition and the transactions contemplated hereby.

5.22 Employees. Other than pursuant to ordinary arrangements of employment compensation (which such arrangements are described in the Acquiring Entity SEC Documents), Acquiring Entity is not under any obligation or liability to any officer, director, employee or Affiliate of Acquiring Entity.

5.23 Duty to Make Inquiry. To the extent that any of the representations or warranties in this Article V are qualified by "knowledge" or "belief," Acquiring Entity represents and warrants that it has made due and reasonable inquiry and investigation concerning the matters to which such representations and warranties relate, including, but not limited to, diligent inquiry of its directors and executive officers.

5.24 Market Makers. Acquiring Entity has at least two (2) market makers for the Acquiring Entity Common Stock and such market makers shall have obtained all permits and made all filings necessary in order for such market makers to continue as market makers of Acquiring Entity.

5.25 Internal Accounting Controls. Except as set forth in Schedule 5.26, Acquiring Entity maintains a system of internal accounting controls sufficient to provide reasonable assurance that (a) transactions are executed in accordance with management's general or specific authorizations, (b) transactions are recorded as necessary to permit preparation of financial statements in conformity with U.S. GAAP and to maintain asset accountability, (c) access to assets is permitted only in accordance with management's general or specific authorization, and (d) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. Except as set forth in Schedule 5.26, Acquiring Entity has established disclosure controls and procedures for Acquiring Entity and designed such disclosure controls and procedures to ensure that material information relating to the Acquiring Entity is made known to the officers by others within those entities. Acquiring Entity's officers have evaluated the effectiveness of the Acquiring Entity's controls and procedures as of the date prior to the filing date of the most recently filed periodic report under the Exchange Act (such date, the "Evaluation Date"). Since the Evaluation Date, there have been no significant changes in Acquiring Entity's internal controls or, to Acquiring Entity's knowledge, in other factors that could significantly affect Acquiring Entity's internal controls except as set forth in Schedule 5.26.

5.26 Certain Registration Matters. Except as specified in the Acquiring Entity SEC Documents, prior to the date hereof, Acquiring Entity has not granted or agreed to grant to any person any rights (including "piggy-back" registration rights) to have any securities of Acquiring Entity registered with the Commission or any other governmental authority that have not been satisfied.

5.27 Disclosure. There is no fact relating to Acquiring Entity that Acquiring Entity has not disclosed to the Company in writing that materially and adversely affects nor, insofar as Acquiring Entity can now foresee, will materially and adversely affect, the condition (financial or otherwise), properties, assets, liabilities, business operations, results of operations or prospects of Acquiring Entity. No representation or warranty by Acquiring Entity herein and no information disclosed in the schedules or exhibits hereto by Acquiring Entity contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained herein or therein not misleading.

## **ARTICLE VI COVENANTS OF ALL PARTIES HERETO**

The parties hereto covenant and agree that:

6.1 Best Efforts; Further Assurances. Subject to the terms and conditions of this Agreement, each party shall use its best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary or desirable under applicable Laws, and in the case of the Company as reasonably requested by Acquiring Entity, to consummate and implement expeditiously each of the transactions contemplated by this Agreement, provided, however, that upon Acquiring Entity's request, the parties hereto will work together in good faith to perform further analysis of the structure of the transactions contemplated by this Agreement following additional diligence to further evaluate the relative tax efficiencies of such transactions, and, if such analysis identifies a structure that is generally more tax efficient than the structure contemplated by this Agreement, the parties agree to negotiate such alternate structure in good faith and take any actions necessary to implement such alternate structure.

6.2 Confidentiality. The Company, on the one hand, and Acquiring Entity and Acquiring Entity, on the other hand, shall hold and shall cause their respective representatives to hold in strict confidence, unless compelled to disclose by judicial or administrative process or by other requirements of Law, all documents and information concerning the other party furnished to it by such other party or its representatives in connection with the transactions contemplated by this Agreement (except to the extent that such information can be shown to have been (a) previously known by the party to which it was furnished, (b) in the public domain through no fault of such party or (c) later lawfully acquired from other sources, which source is not the agent of the other party, by the party to which it was furnished), and each party shall not release or disclose such information to any other person, except its representatives in connection with this Agreement. In the event that any party believes that it is required to disclose any such confidential information pursuant to applicable Laws, such party shall give timely written notice to the other party so that such party may have an opportunity to obtain a protective order or other appropriate relief. Each party shall be deemed to have satisfied its obligations to hold confidential information concerning or supplied by the other party if it exercises the same care as it takes to preserve confidentiality for its own similar information.

**ARTICLE IX  
INDEMNIFICATION**

9.1 Indemnification of Company. Acquiring Entity ("Acquiring Entity Indemnifying Party") hereby agrees to indemnify and hold harmless to the fullest extent permitted by applicable law the Company, each of its Affiliates and each of its and their respective members, managers, partners, directors, officers, employees, stockholders, attorneys and agents and permitted assignees (each a "Company Indemnified Party"), against and in respect of any and all out-of-pocket loss, cost, payments, demand, penalty, forfeiture, expense, liability, judgment, deficiency or damage, and diminution in value or claim (including actual costs of investigation and attorneys' fees and other costs and expenses) (all of the foregoing collectively, "Losses") incurred or sustained by any Company Indemnified Party as a result of or in connection with (a) any breach, inaccuracy or nonfulfillment or the alleged breach, inaccuracy or nonfulfillment of any of the representations, warranties, covenants and agreements of the Acquiring Entity contained herein or in any of the Additional Agreements or any certificate or other writing delivered pursuant hereto, (b) any Actions by any third parties with respect to the Acquiring Entity (including breach of contract claims, violations of warranties, trademark infringement, privacy violations, torts or consumer complaints) for any period on or prior to the Closing Date.

9.2 Indemnification of Acquiring Entity. The Company ("Company Indemnifying Party") hereby agrees to indemnify and hold harmless to the fullest extent permitted by applicable law the Acquiring Entity, each of its Affiliates and each of its and their respective officers, directors, employees, stockholders, attorneys and agents and permitted assignees (each a "Acquiring Entity Indemnified Party"), against and in respect of any and all out-of-pocket loss, cost, payments, demand, penalty, forfeiture, expense, liability, judgment, deficiency or damage, and diminution in value or claim (including actual costs of investigation and attorneys' fees and other costs and expenses) (all of the foregoing collectively, "Losses") incurred or sustained by any Acquiring Entity Indemnified Party as a result of or in connection with (a) any breach, inaccuracy or nonfulfillment or the alleged breach, inaccuracy or nonfulfillment of any of the representations, warranties, covenants and agreements of the Company contained herein or in any of the Additional Agreements or any certificate or other writing delivered pursuant hereto, (b) any Actions by any third parties with respect to the Company (including breach of contract claims, violations of warranties, trademark infringement, privacy violations, torts or consumer complaints) for any period on or prior to the Closing Date.

9.3 Procedure. The following shall apply with respect to all claims by an Acquiring Entity Indemnified Party or Company Indemnified Party for indemnification:

(a) An indemnified party shall give the indemnifying party prompt notice (an "Indemnification Notice") of any third-party Action with respect to which such indemnified party seeks indemnification pursuant to Section 9.1 (a "Third-Party Claim"), which shall describe in reasonable detail the Loss that has been or may be suffered by the indemnified party. The failure to give the Indemnification Notice shall not impair any of the rights or benefits of such indemnified party under Section 9.1, except to the extent such failure materially and adversely affects the ability of the Indemnifying Party to defend such claim or increases the amount of such liability.

(b) In the case of any Third-Party Claims as to which indemnification is sought by any indemnified party, such indemnified party shall be entitled, at the sole expense and liability of the Indemnifying Party, to exercise full control of the defense, compromise or settlement of any Third-Party Claim unless the Indemnifying Party, within a reasonable time after the giving of an Indemnification Notice by the indemnified party (but in any event within ten (10) days thereafter), shall (i) deliver a written confirmation to such indemnified party that the indemnification provisions of Section 9.1 are applicable to such Action and the Indemnifying Party will indemnify such indemnified party in respect of such Action pursuant to the terms of Section 8.1 and, notwithstanding anything to the contrary, shall do so without asserting any challenge, defense, limitation on the Indemnifying Party's liability for Losses, counterclaim or offset, (ii) notify such indemnified party in writing of the intention of the indemnifying party to assume the defense thereof, and (iii) retain legal counsel reasonably satisfactory to such indemnified party to conduct the defense of such Third-Party Claim.

(c) If the indemnifying party assumes the defense of any such Third-Party Claim pursuant to Section 9.2(b), then the indemnified party shall cooperate with the indemnifying party in any manner reasonably requested in connection with the defense, and the indemnified party shall have the right to be kept fully informed by the indemnifying party and their legal counsel with respect to the status of any legal proceedings, to the extent not inconsistent with the preservation of attorney-client or work product privilege. If the indemnifying party so assumes the defense of any such Third-Party Claim, the indemnified party shall have the right to employ separate counsel and to participate in (but not control) the defense, compromise, or settlement thereof, but the fees and expenses of such counsel employed by the indemnified party shall be at the expense of such indemnified party unless (i) the indemnifying party has agreed to pay such fees and expenses, or (ii) the named parties to any such Third-Party Claim (including any impleaded parties) include an indemnified party and the indemnifying party and the indemnified party shall have been advised by its counsel that there may be a conflict of interest between such indemnified party and the indemnifying party in the conduct of the defense thereof, and in any such case the reasonable fees and expenses of such separate counsel shall be borne by the indemnifying party.

(d) If the indemnifying party elects to assume the defense of any Third-Party Claim pursuant to Section 9.2(b), the indemnified party shall not pay, or permit to be paid, any part of any claim or demand arising from such asserted liability unless the indemnifying party withdraws from or fails to vigorously prosecute the defense of such asserted liability, or unless a judgment is entered against the indemnified party for such liability. If the indemnifying party does not elect to defend, or if, after commencing or undertaking any such defense, the indemnifying party fails to adequately prosecute or withdraw such defense, the indemnified party shall have the right to undertake the defense or settlement thereof, at the indemnifying party's expense. Notwithstanding anything to the contrary, the indemnifying party shall not be entitled to control, but may participate in, and the indemnified party (at the expense of the Indemnifying Parties) shall be entitled to have sole control over, the defense or settlement of that part of any Third Party Claim (i) that seeks a temporary restraining order, a preliminary or permanent injunction or specific performance against the indemnified party, or (ii) to the extent such Third Party Claim involves criminal allegations against the indemnified party or (y) the entire Third Party Claim if such Third Party Claim would impose liability on the part of the indemnified party. In the event the indemnified party retains control of the Third Party Claim, the indemnified party will not settle the subject claim without the prior written consent of the indemnifying party, which consent will not be unreasonably withheld or delayed.

(e) If the indemnified party undertakes the defense of any such Third-Party Claim pursuant to this Section 9.2 and proposes to settle the same prior to a final judgment thereon or to forgo appeal with respect thereto, then the indemnified party shall give the indemnifying party prompt written notice thereof and the indemnifying party shall have the right to participate in the settlement, assume or reassume the defense thereof or prosecute such appeal, in each case at the indemnifying party's expense. The indemnifying party shall not, without the prior written consent of such indemnified party settle or compromise or consent to entry of any judgment with respect to any such Third-Party Claim (i) in which any relief other than the payment of money damages is or may be sought against such indemnified party, (ii) in which such Third Party Claim could be reasonably expected to impose or create a monetary liability on the part of the indemnified party (such as an increase in the indemnified party's income Tax) other than the monetary claim of the third party in such Third-Party Claim being paid pursuant to such settlement or judgment, or (iii) which does not include as an unconditional term thereof the giving by the claimant, person conducting such investigation or initiating such hearing, plaintiff or petitioner to such indemnified party of a release from all liability with respect to such Third-Party Claim and all other Actions (known or unknown) arising or which might arise out of the same facts.

9.4 Periodic Payments. Any indemnification required by Section 9.1 for costs, disbursements or expenses of any indemnified party in connection with investigating, preparing to defend or defending any Action shall be made by periodic payments by the indemnifying party to each indemnified party during the course of the investigation or defense, as and when bills are received or costs, disbursements or expenses are incurred.

9.5 Insurance. Any indemnification payments hereunder shall take into account any insurance proceeds or other third party reimbursement actually received.

## **ARTICLE X DISPUTE RESOLUTION**

### 10.1 Arbitration.

(a) In the event of any controversy among the parties hereto arising out of, or relating to, this Agreement, which cannot be settled amicably by the parties, such controversy shall be settled by Arbitration. Both sides shall choose a mutually agreed upon competent jurist from a short list and informal Arbitration shall commence as expeditiously as possible. Either party may institute such arbitration proceeding by giving written notice to the other party. A hearing shall be held by the Arbitrator within the City of London, and a decision of the matter submitted to the Arbitrator shall be binding and enforceable against all parties in any Court of competent jurisdiction. The prevailing party shall be entitled to all costs and expenses with respect to such arbitration, including reasonable attorneys' fees. The decision of the Arbitrator shall be final, binding upon all parties hereto and enforceable in any Court of competent jurisdiction. Each party hereto irrevocably waives any objection to the laying of venue of any such Arbitration action or proceeding brought and irrevocably waives any claim that any such action brought has been brought in an inconvenient forum. Each of the parties hereto waives any right to request a trial by jury in any litigation with respect to this agreement and represents that counsel has been consulted specifically as to this waiver.

**ARTICLE XI  
TERMINATION**

11.1 Termination Without Default; Expenses. In the event that the Closing of the transactions contemplated hereunder has not occurred by September 10, 2016 (the “Outside Closing Date”) and no material breach of this Agreement by Acquiring Entity, on one hand, or the Company, on the other hand, seeking to terminate this Agreement shall have occurred or have been made, Acquiring Entity or the Company shall have the right, at its sole option, to terminate this Agreement without liability to the other side. Such right may be exercised by Acquiring Entity or the Company, as the case may be, giving written notice to the other at any time after the Outside Closing Date. In the event this Agreement is terminated pursuant to this Section 11.1, each party shall bear its own expenses incurred in connection with this Agreement.

11.2 Termination Upon Default .

(a) Acquiring Entity may terminate this Agreement by giving notice to the Company on or prior to the Closing Date, without prejudice to any rights or obligations Acquiring Entity may have, if the Company or any Member shall have materially breached any representation or warranty or breached any agreement or covenant contained herein or in any Additional Agreement to be performed on or prior to the Closing Date and such breach shall not be cured by the earlier of the Outside Closing Date and fifteen (15) days following receipt by the Company of a notice describing in reasonable detail the nature of such breach.

(b) The Company may terminate this Agreement by giving notice to Acquiring Entity, without prejudice to any rights or obligations the Company or Members may have, if Acquiring Entity shall have materially breached any of its covenants, agreements, representations, and warranties contained herein to be performed on or prior to the Closing Date and such breach shall not be cured by the earlier of the Outside Closing Date and fifteen (15) days following receipt by Acquiring Entity of a notice describing in reasonable detail the nature of such breach.

11.3 Survival. The provisions of Articles IX, XI and XII, as well as Section 6.2, shall survive any termination hereof pursuant to Article XI.

**ARTICLE XII  
MISCELLANEOUS**

12.1 Notices. 12.2 Amendments; No Waivers; Remedies.

(a) This Agreement cannot be amended, except by a writing signed by each party, and cannot be terminated orally or by course of conduct. No provision hereof can be waived, except by a writing signed by the party against whom such waiver is to be enforced, and any such waiver shall apply only in the particular instance in which such waiver shall have been given.

(b) Neither any failure or delay in exercising any right or remedy hereunder or in requiring satisfaction of any condition herein nor any course of dealing shall constitute a waiver of or prevent any party from enforcing any right or remedy or from requiring satisfaction of any condition. No notice to or demand on a party waives or otherwise affects any obligation of that party or impairs any right of the party giving such notice or making such demand, including any right to take any action without notice or demand not otherwise required by this Agreement. No exercise of any right or remedy with respect to a breach of this Agreement shall preclude exercise of any other right or remedy, as appropriate to make the aggrieved party whole with respect to such breach, or subsequent exercise of any right or remedy with respect to any other breach.

(c) Except as otherwise expressly provided herein, no statement herein of any right or remedy shall impair any other right or remedy stated herein or that otherwise may be available.

(d) Notwithstanding anything else contained herein, neither shall any party seek, nor shall any party be liable for, punitive or exemplary damages, under any tort, contract, equity, or other legal theory, with respect to any breach (or alleged breach) of this Agreement or any provision hereof or any matter otherwise relating hereto or arising in connection herewith.

12.3 Arm's Length Bargaining; No Presumption Against Drafter. This Agreement has been negotiated at arm's-length by parties of equal bargaining strength, each represented by counsel or having had but declined the opportunity to be represented by counsel and having participated in the drafting of this Agreement. This Agreement creates no fiduciary or other special relationship between the parties, and no such relationship otherwise exists. No presumption in favor of or against any party in the construction or interpretation of this Agreement or any provision hereof shall be made based upon which Person might have drafted this Agreement or such provision.

12.4 Publicity. Except as required by law, the parties agree that neither they nor their agents shall issue any press release or make any other public disclosure concerning the transactions contemplated hereunder without the prior approval of the other party hereto.

12.5 Expenses. Except as otherwise expressly set forth herein, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such cost or expense.

12.6 No Assignment or Delegation. No party may assign any right or delegate any obligation hereunder, including by Acquisition, consolidation, operation of law, or otherwise, without the written consent of the other party. Any purported assignment or delegation without such consent shall be void, in addition to constituting a material breach of this Agreement.

12.7 Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Nevada, without giving effect to the conflict of laws principles thereof.

12.8 Counterparts; facsimile signatures. This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which shall constitute one agreement. This Agreement shall become effective upon delivery to each party of an executed counterpart or the earlier delivery to each party of original, photocopied, or electronically transmitted signature pages that together (but need not individually) bear the signatures of all other parties.

12.9 Entire Agreement. This Agreement together with the Additional Agreements, sets forth the entire agreement of the parties with respect to the subject matter hereof and thereof and supersedes all prior and contemporaneous understandings and agreements related thereto (whether written or oral), all of which are Acquired herein. No provision of this Agreement or any Additional Agreement may be explained or qualified by any agreement, negotiations, understanding, discussion, conduct or course of conduct or by any trade usage. Except as otherwise expressly stated herein or any Additional Agreement, there is no condition precedent to the effectiveness of any provision hereof or thereof. No party has relied on any representation from, or warranty or agreement of, any person in entering into this Agreement, prior hereto or contemporaneous herewith or any Additional Agreement, except those expressly stated herein or therein.

12.10 Severability. A determination by a court or other legal authority that any provision that is not of the essence of this Agreement is legally invalid shall not affect the validity or enforceability of any other provision hereof. The parties shall cooperate in good faith to substitute (or cause such court or other legal authority to substitute) for any provision so held to be invalid a valid provision, as alike in substance to such invalid provision as is lawful.

12.11 Construction of Certain Terms and References; Captions. In this Agreement:

(a) References to particular sections and subsections, schedules, and exhibits not otherwise specified are cross-references to sections and subsections, schedules, and exhibits of this Agreement.

(b) The words "herein," "hereof," "hereunder," and words of similar import refer to this Agreement as a whole and not to any particular provision of this Agreement, and, unless the context requires otherwise, "party" means a party signatory hereto.

(c) Any use of the singular or plural, or the masculine, feminine, or neuter gender, includes the others, unless the context otherwise requires; "including" means "including without limitation;" "or" means "and/or;" "any" means "any one, more than one, or all;" and, unless otherwise specified, any financial or accounting term has the meaning of the term under United States generally accepted accounting principles as consistently applied heretofore by the Company.

(d) Unless otherwise specified, any reference to any agreement (including this Agreement), instrument, or other document includes all schedules, exhibits, or other attachments referred to therein, and any reference to a statute or other law includes any rule, regulation, ordinance, or the like promulgated thereunder, in each case, as amended, restated, supplemented, or otherwise modified from time to time. Any reference to a numbered schedule means the same-numbered section of the disclosure schedule.

(e) If any action is required to be taken or notice is required to be given within a specified number of days following a specific date or event, the day of such date or event is not counted in determining the last day for such action or notice. If any action is required to be taken or notice is required to be given on or before a particular day which is not a Business Day, such action or notice shall be considered timely if it is taken or given on or before the next Business Day.

(f) Captions are not a part of this Agreement, but are included for convenience, only.

(g) For the avoidance of any doubt, all references in this Agreement to "the knowledge or best knowledge of the Company" or similar terms shall be deemed to include the actual or constructive (e.g., implied by Law) knowledge of the Manager of the Company.

12.12 Further Assurances. Each party shall execute and deliver such documents and take such action, as may reasonably be considered within the scope of such party's obligations hereunder, necessary to effectuate the transactions contemplated by this Agreement.

12.13 Third Party Beneficiaries. Neither this Agreement nor any provision hereof confers any benefit or right upon or may be enforced by any Person not a signatory hereto.

IN WITNESS WHEREOF, the Acquiring Entity, the Company, and the Department of Coffee and Social Affairs Limited have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first above written.
