About Medical Innovation Holdings, Inc.

MIHI, a Colorado-based publicly traded company, owns and operates strategically aligned health care service companies focused on the delivery of clinical virtual medicine (health) as a way of bringing quality medical care to all areas of need including rural and underdeveloped areas across the country. Through our wholly owned subsidiary, 3Point Care, we provide personalized high-tech high-touch telemedicine encounters pairing our virtual health specialty doctors with traditional primary doctors utilizing nextgen virtual health technologies in order to connect a patient with a multi-disciplinary specialty clinical healthcare practice. Through our other companies and relationships, we offer Affordable Care Organization (ACO) support, wellness and prevention, lab analysis and lab services, and remote diagnostic monitoring.

Medical Innovation Holdings Inc.™

We serve a number of constituents and stakeholders interested in reducing the cost of care, enhancing the quality of care, promoting access to care, and maintaining the continuum of care.

Our subsidiary Renaissance is a nationally-known research and development company recognized for its portfolio of best-in-class, physician-developed, natural-health supplements designed to provide their customers with a better, healthier, and longer life. For over 16 years, Renaissance has used, and continues to use, the highest quality and concentration of powerful ingredients to create products that are naturally safe and proven to be effective. As a socially-responsible company, they do not perform any animal testing during any of its research and development.
