**Medical Innovation Holdings, Inc. (“MIHI”) Announces a Strategic Arrangement with AeonMD, a Leading Provider of Wellness Therapies for Physician Offices**

PR Newswire December 6, 2017

DULUTH, Georgia, December 6, 2017 /PRNewswire/ —

The inclusion of the comprehensive ADAPT service will result in an immediate increase in revenue stream for MIHI ( MIHI ) while enabling an immediate improvement in our customer’s practice effectiveness and financial wellbeing.

MIHI’s subsidiary, Bkare Diagnostics, LLC will expand its offering to primary care physicians featuring AeonMD’s ADAPT (Assessments, Diagnostics, and Preventative Therapies) Preventive Care patient assessment and diagnostics solution.

The ADAPT platform enables an immediate improvement in the practice’s preventive care model, overall efficiency, and financial wellbeing. This new initiative will have an immediate impact on primary care practices in the Georgia in which the service will be introduced with planned expansion into surrounding states over the next 90 days.

Combining AeonMD’s ADAPT solution with MIHI Tele-Medicine Specialist services will result in a tremendous boost to the productivity of primary care physicians while creating improved access and lower cost to the preventive care services that are critical to patient’s health and wellbeing. Together with AeonMD, MIHI is helping providers shift into a wellness-based care philosophy, away from solely practicing reactive allopathy.

This innovative and unique software platform is a comprehensive and integrated approach to analyzing, diagnosing and delivering patient wellness therapies that can help to mitigate or prevent potentially catastrophic disease states before they occur.

This service will provide a new revenue stream for all. Jake Sanchez, MIHI CEO, says “The combination of creating revenue streams for the physician offices and our shareholders is a win-win.”

“We are excited about the opportunity to partner with thought-leaders such as MIHI and their BKare Diagnostics division. We believe that we are at the forefront of the impending wellness megatrend in healthcare, and that our mutual synergies can accelerate this transition”, stated Greg Nakagawa, CEO of AeonMD.
