REPORT ON REVIEW BY INDEPENDENT CERTIFIED PUBLIC ACCOUNTANT

To the Board of Directors
Colorado Community Broadcasting, Inc.
Arvada, Colorado

We have reviewed the accompanying balance sheet of Colorado Community Broadcasting, Inc. as of October 31, 2004 and the related statements of operations for the three months and six months ended October 31, 2004 and 2003, and the related cash flows for the six months ended October 31, 2004 and 2003 included in the accompanying Securities and Exchange Commission Form 10-QSB for the period ended October 31, 2004. These financial statements are the responsibility of the Company's management.

We conducted our reviews in accordance with standards established by the American Institute of Certified Public Accountants. A review of interim financial information consists principally of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with audited standards generally accepted in the United States and the standards of PCAOB, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements for them to be in conformity with accounting principles generally accepted in the United States.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 2, conditions exist which raise substantial doubt about the Company's ability to continue as a going concern unless it is able to generate sufficient cash flows to meet its obligations and sustain its operations. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

We have previously audited, in accordance with auditing standards generally accepted in the United States, the balance sheet as of April 30, 2004, and the related statements of operations, stockholders' equity and cash flows for the year then ended (not presented herein). In our report dated November 1, 2004, we expressed an unqualified opinion on those financial statements. In our opinion, the information set forth in the accompanying balance sheet as of October 31, 2004 is fairly stated in all material respects in relation to the balance sheet from which it has been derived.

1. Presentation of Interim Information

In the opinion of the management of Colorado Community Broadcasting, Inc., the accompanying unaudited financial statements include all normal adjustments considered necessary to present fairly the financial position as of October 31, 2004, and the results of operations for the three months and six months ended October 31, 2004 and 2003, and cash flows for the six months ended October 31, 2004 and 2003. The Company undertakes no obligation to publicly revise these forward-looking statements to reflect events or circumstances that arise after the date hereof. Readers should carefully review the factors described in other documents the Company files from time to time with the Securities and Exchange Commission, including the Quarterly Reports on Form 10-QSB and Annual Report on Form 10-KSB filed by the Company in 2002 and any Current Reports on Form 8-K filed by the Company.

The Company wil seek financing for an attempt to acquire companies . The Company incurred operations expenses of \$ 31,980 in 2004 and \$45 in 2003 in the quarter. The Company had a loss on operations of (\$ 31,980 in 2004 compared to (\$45) in 2003 in the quarter. The loss per share was less than (\$.0.14) and (\$.0) in 2004 and 2003 respectively.
