**Item 4.01 - Changes in Registrant's Certifying Accountant.**

Jaspers + Hall, PC formerly the independent registered public accountant for Sun River Energy, Inc. (the Company), was dismissed as the Company's independent registered public accountant on October 21, 2008 due to the auditor's revocation from the Public Accounting Oversight Board (PCAOB). At this time, the Company has not engaged new auditors but is in the process of doing so.

The action to engage new auditors was approved by the Board of Directors. No audit committee exists, other than the members of the Board of Directors.

In connection with audit of fiscal years ended April 30, 2008 and 2007 and the cumulative period of May 1, 2008 through July 31, 2008 and through the date of termination of the accountants, no disagreements exist with the former independent registered public accountant on any matter of accounting principles or practices, financial statement disclosure, internal control assessment, or auditing scope of procedure, which disagreements if not resolved to the satisfaction of the former accountant would have caused them to make reference in connection with their report to the subject of the disagreement(s).

The audit reports by Jaspers + Hall, PC for the fiscal years ended April 30, 2008 and 2007, contained an opinion which included a paragraph discussing uncertainties related to continuation of the Company as a going concern and did not include an adverse opinion or a disclaimer of opinion or were not qualified or modified as to uncertainty, audit scope or accounting principles
