If NSRS has not received the documentation required under this Section 8.2 within the prescribed time, NSRS may, but has no obligation to, satisfy such requirement(s), and DGG shall promptly reimburse NSRS for the amount of any payment made by NSRS, and any related costs, plus twenty percent (20%) of the amount of those payments and costs. DGG shall ensure that all activities conducted by, or on its behalf on the Property, are in compliance with the laws and regulations of Ghana and any local governmental entity with jurisdiction over the Property or activities thereon, including, but not limited to any laws or regulations regarding environmental protection or reclamation of the Property. DGG shall provide NSRS with satisfactory evidence of such compliance upon DGG's receipt of such document. All operations under this Agreement shall be conducted in a good and workmanlike manner in accordance with generally accepted mining practices.

11.2

DGG shall provide to NSRS a copy of any permit application or other permitting documents relating to activities or operations on the Property after submission to the applicable government entity.

11.3

NSRS shall have 30 days following receipt of said notice (or, in the event NSRS in good faith disputes the existence of such a default, 30 days after a final, non-appealable order of a court of competent jurisdiction finding that such a default exists) within which to remedy any such default described therein, or to diligently commence action in good faith to remedy such default. If NSRS does not cure or diligently commence to cure such default by the end of the applicable 30-day period, then DGG shall have the right to terminate this Agreement by providing 30 days advance written notice to NSRS.
