Interim Financial Statements

For the Nine Month Period Ended January 31, 2001

(Unaudited)

REPORT ON REVIEW BY INDEPENDENT CERTIFIED PUBLIC ACCOUNTANT

To the Board of Directors
Colorado Community Broadcasting, Inc.
Denver, Colorado

We have reviewed the accompanying balance sheet of Colorado Community Broadcasting, Inc. as of January 31, 2001 and the related statements of operations for the three month and nine month periods ended January 31, 2001 and 2000, and the cash flows for the nine months ended January 31, 2001 and 2000 included in the accompanying Securities and Exchange Commission Form 10-Q for the period ended January 31, 2001. These financial statements are the responsibility of the Company's management.

We conducted our reviews in accordance with standards established by the American Institute of Certified Public Accountants. A review of interim financial information consists principally of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements for them to be in conformity with generally accepted accounting principles.

We have previously audited, in accordance with generally accepted auditing standards, the balance sheet as of April 30, 2000, and the related statements of operations, stockholders' equity and cash flows for the year then ended (not presented herein). In our report dated May 12, 2000, we expressed an unqualified opinion on those financial statements. In our opinion, the information set forth in the accompanying balance sheet as of January 31, 2001 is fairly stated in all material respects in relation to the balance sheet from which it has been derived.
