Re: Revenge Designs, Inc. (the "Issuer")
Adequate Company Information and Disclosure based upon
Supplement Disclosure Statement under Rule 15C-211
For the period ended July 31, 2013

I have been retained to provide an examination and opinion regarding the Company's Supplemental Disclosure Report under Rule 15C-211. Information disclosed by the Issuer and published with the OTC Disclosure and News Service on September 18, 2013 and the Annual Report (unaudited Annual Financials) which was posted September 18, 2013, along with the Interim Financial for the period ending July 31, 2013. The opinion is solely for the information of the addressee hereof and OTC Market Group is entitled to rely on such letter in determining whether the Issuer has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933. The undersigned grants OTC Markets Group full and complete permission and rights to publish the letter in the OTC Disclosure and News Service for viewing by the public and regulators.

The undersigned counsel is a U.S. resident and was retained by the Issuer solely for the purpose of rendering this opinion and reviewing the current information supplied by Issuer. This opinion is based on my knowledge of the law and facts as of the date hereof. The undersigned has examined such corporate records and other documents and such questions of law as counsel has considered necessary or appropriate for the purposes of rendering this opinion.

The undersigned was admitted to the Bar of the State of California in 1983. The undersigned is permitted to practice before the Securities and Exchange Commission ("SEC") and has never been barred from practice in any of the foregoing jurisdictions.

In formulation of the opinion set forth below, I have examined such corporate records and documents including, but not limited to, the Issuer's Articles of Incorporation, as amended, By-Laws and, minutes of meetings and actions of its Board of Directors and such other documents as were deemed relevant and necessary as a basis for the opinion hereinafter set forth as well as meeting personally with the management and available Directors of the Company. Counsel has conferred with Directors and Management of the Company concerning the information provided and has received representations from the Company, its management and directors as to the accuracy of the information provided for this determination. In such examination and in discussions, the genuineness of all signatures set forth on each document has been assumed, as well as the authenticity of all original documents and the conformity to original documents of all copies of such documents as may have been supplied during the course of examination. This opinion is further based upon those representations which counsel believes to be reliable.

For the purpose of rendering this opinion, I have specifically also reviewed the following documents:

1. The Supplemental Disclosure Report under Rule 15C-211. Information of the Issuer as is publicly available and posted on the OTC Disclosure and News Service on September 18, 2013 for the period ended July 31, 2013. The Fiscal Year End of the Company is January 31st. The Disclosure Statement included in Item 8 information related to the Company's adjudication in the State of Nevada.
2. The Information related to the Financial Condition of the Issuer was also posted on September 18, 2013 as part of the Annual Report (unaudited Annual Financials) of the Issuer for the period ending January 31, 2013 (Fiscal Year End) and an interim statement for the period ending July 31, 2013.

For the purposes of rendering this opinion, I have assumed that no person or entity has Engaged in fraud or misrepresentation regarding the inducement relating to, or the execution or delivery of, the documents reviewed. Furthermore, I express no opinion as to the validity of any of the assumptions, form or content of any financial or statistical data contained therein. The terms used in this opinion shall have the meaning ascribed to them in the documents relied upon in rendering this opinion.

Regarding the common stock of the Issuer, par value is \$0.001 per share, (the "Securities"), in the opinion of the undersigned, that the information provided in the

Supplemental Disclosure Report under Rule 15C-211. Which was disclosed by the Issuer and published with the OTC Disclosure and News Service on September 18, 2013 and the Annual Report (unaudited Annual Financials) which was posted September 18, 2013, along with the Interim Financial for the period ending July 31, 2013. (i) constitute “adequate current public information” concerning the Securities of the Issuer and “is available” within the meaning of Rule 144(c)(2) under the Securities Act, (ii) include all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the Securities under rule 15c2-11 under the Securities Exchange Act of 1934 (the “Exchange Act”), (iii) comply as to form with the OTC Markets Guidelines for Providing Adequate Current Information, which are located on the Internet at www.otcmarkets.com, and (iv) have been posted in the OTC Disclosure and News Service. Furthermore, after reasonable investigation I have no reason to believe that such information contained an untrue statement of a material fact or omitted to state a material fact in order to make the statements made, in light of the circumstances under which they were made, not misleading.

The Issuer's unaudited financial statements were prepared by Dale Paisley, a Certified Public Accountant who was a former partner with the International Accounting firm of Coopers and Lybrand (now Price Waterhouse). Mr. Paisley graduated from San Diego State University with a BS in Accounting. Mr. Paisley has provided accounting/CPA services to public companies, including financial preparation for all SEC filings. Mr. Paisley has previously served as a Chief Financial Officer for several publicly traded Companies. The unaudited financial statements were prepared in accordance with GAAP.

The Company's transfer agent is First American Stock Transfer, Inc., with a business address of 4747 N. 7th St., Suite 170, Phoenix, AZ 85014, and is registered with the SEC under the Exchange Act. I have reviewed a copy of the Transaction Journal and tally sheet prepared by the transfer agent for the date ending July 31, 2013 to confirm that the number of outstanding shares set forth in the Supplemental Disclosure Report under Rule 15C-211 is correct.

The undersigned has (i) personally met with the Issuer's management and a majority of its directors, (ii) reviewed the Supplemental Disclosure Report under Rule 15C-211 and Annual Report published by the Issuer on the OTC Disclosure and News Service, and (iii) discussed the Annual Report-Disclosure Information with management and a majority of the directors of the Issuer. To the best of my knowledge and after reasonable inquiry of the Issuer's management and

directors, there is no officer, director, 5% holder, or counsel currently under investigation by any federal or state regulatory agency for any violation of federal or state securities law.

This opinion is solely for the information of the addressees hereof and the other parties specifically identified in the first paragraph hereof, and is not to be quoted in whole or in part or otherwise referred to, nor is to be filed with any governmental agency or other person without any prior written consent. Other than the addressee hereof and such other parties, no one is entitled to rely on this opinion. This opinion is based on my knowledge of the law and facts as of the date hereof. I assume no duty to communicate with you with respect to any other matter which comes to my attention hereafter.

Thank you for your consideration and attention.

Respectfully submitted,

Thomas Russell, Esq.
