Cyber Kiosk Solutions, Inc. produces Point of Sale terminals and Kiosk machines that offer several financial services such as, bill payment, cell phone airtime top up, Prepaid Debit card sales and Prepaid Debit card loads, Domestic and International money remittance. The machines sold by the Company offer manufacture coupons for items such as cereals, candy, soda, and other food items found at supermarkets and convenience stores, electronic gift cards for over 500 restaurants and big box retailers, local specials in many industry areas in the surrounding areas of proximity to CYBK machines. Additionally, the Kiosks have two separate advertising areas on the main and secondary screens that play advertisements for services, items for sales, coupons, and specials. The Company has executed several distribution agreements for both domestic and international placements of its

Kiosk systems. To help facilitate the placement of the Kiosks the Company entered into partnership agreement with Empasys and Preway which collectively have approximately 20,000 combined locations that will be converted to one of the Cyber Kiosk solutions. The Company has entered into an agreement in the Dominican Republic with the potential of placing several thousands of the machines within the country through a partnership with a cell phone company. The other partnership would be with the government for the sale of lottery tickets and the collection of revenue that the government is losing through abuse within its current system. The lottery software is currently being reviewed. The Company is working on other partnerships and acquisitions to help expand its distribution locations and add functionality to the Kiosks so the consumer spends more time and money at the Kiosks. The Kiosks give the companies providing services the ability to expand without the need to build a brick and mortar store.
