ProTek Capital, Inc.

ProTek Capital, Inc. has established a network of world-wide deal sources and is positioned to capitalize on the growing number of opportunities outside of the United States. All investments are designed to maximize upside opportunity for our shareholders.

What we are looking for are small focused companies preferably at the next stage after startup, who are looking either to sell their business or aggressively expand and are seeking equity capital.

Business Approach: Upon receipt of a company's high level records an initial filtering of the financials takes place. Should the potential deal look promising a non-binding LOI is issued. This step will be followed by due diligence program to assess and test the viability of an acquisition or funding proposal. The process can be as short as six weeks or as long as six months to arrive at a decision.

ProTek, Inc. looks for both short term funding opportunities and longer term engagements. The key elements sought are solid business plans and a management team that can deliver on the plan.
