5) Financial Statements

Provide the financial statements described below for the most recent fiscal year end or quarter end to maintain qualification for the OTC Pink Current Information tier. For the initial disclosure statement (qualifying for Current Information for the first time) please provide reports for the two previous fiscal years and any interim periods.

- A. Balance sheet;
- B. Statement of income;
- C. Statement of cash flows;
- D. Financial notes; and
- E. Audit letter, if audited

The financial statements requested pursuant to this item shall be prepared in accordance with US GAAP by persons with sufficient financial skills.

You may either (i) attach/append the financial statements to this disclosure statement or (ii) post such financial statements through the OTC Disclosure & News Service as a separate report using the appropriate report name for the applicable period end. ("Annual Report," "Quarterly Report" or "Interim Report").

If you choose to publish the financial reports separately as described in part (ii) above, you must state in the accompanying disclosure statement that such financial statements are incorporated by reference. You may reference the document(s) containing the required financial statements by indicating the document name, period end date, and the date that it was posted to otcq.com in the field below.

The most recent information for the Issuer's applicable period ending June 30, 2014, is available on OTCMarkets.com as "2014 Quarterly Report Financial Statements", and is hereby incorporated herein by reference. This Financial Report was prepared in accordance with US GAAP by persons with sufficient financial skills and posted to otcq.com on August 19, 2014.

Information contained in a Financial Report is considered current until the due date for the subsequent Financial Report. To remain in the OTC Pink Current Information tier, a company must post its Annual Report within 90 days from its fiscal year-end date and Quarterly Reports within 45 days of its fiscal quarter-end date.

6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

- A. a description of the issuer's business operations;

The Company markets and sells 3D conversion technology under a 10 Year license agreement.

Digital Signage:

Many of the Company's hardware and software applications are currently marketed to the digital signage industry. 3D Eye Solutions signed an agreement with the Las Vegas Hilton where the Las Vegas Hilton agreed to place 3D Eye Solutions' 42" auto stereoscopic screens and technology in strategic locations throughout the hotel, including the main entrance inside the hotel into the Las Vegas Convention Center. 3D Eye Solutions will be generating revenue from the agreement through the sale of advertising space to both the vendors of the Las Vegas Hilton, as well as exhibitors, sponsors, and attendees from the conventions held at the Las Vegas Convention center. At this time, the Company has placed the initial screen at the Hotel entrance into the Las Vegas Convention Center (also known as the "Hub"), and is in discussions with various sales agencies to begin selling the advertising space.

3D Eye Solutions has also signed a Memorandum of Understanding (MOU) with Scala. Scala is a leading global digital signage company providing software and advertising management solutions. By combining digital and traditional signage systems, Scala has become the world's first connected signage company, offering the leading platform for content creation, management and distribution in digital signage networks, and the first unified platform for advertising management of both traditional and digital signage networks. The company's solutions are used in retail, education, entertainment, government and other industries for diverse applications such as retail advertising networks, corporate communications (employee TV), traditional and digital billboards, digital menu boards, digital posters, cable TV, hotel lobby signage, gas pump toppers, outdoor advertising, interactive kiosks, etc.

- B. Date and State (or Jurisdiction) of Incorporation:

January 2008, Florida

- C. the issuer's primary and secondary SIC Codes;

7373

- D. the issuer's fiscal year end date;

December 31st

- E. principal products or services, and their markets;

The Company is currently focused on generating ad revenues and gaining additional valuable real estate for its 3D Auto-stereo signs.

- Service conversions of existing media to enable end users to showcase standard (flat 2D) properties in 3D and multi-view format
- Production and processing of media content for corporate venues and trade show events; including content in large format, 20", 42" & 57" auto-stereoscopic displays for advertisers. Also available is a 132" video wall auto-stereoscopic display
- Services and techniques as a content creator in auto-stereoscopic applications, such as in LCD flat panel TVs and mobile devices

7) Describe the Issuer's Facilities

The goal of this section is to provide a potential investor with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer.

In responding to this item, please clearly describe the assets, properties or facilities of the issuer, give the location of the principal plants and other property of the issuer and describe the condition of the properties. If the issuer does not have complete ownership or control of the property (for example, if others also own the property or if there is a mortgage on the property), describe the limitations on the ownership.

If the issuer leases any assets, properties or facilities, clearly describe them as above and the terms of their leases.

3D Eye Solutions is currently using the facilities of MG Studios, as a real-working environment, to develop and test the ultimate effect of stereoscopic techniques. Here, the Company has the ability to test measures that will insure viewing will not irritate the eyes, as would a more conventional stereoscopic process.

8) Officers, Directors, and Control Persons

The goal of this section is to provide an investor with a clear understanding of the identity of all the persons or entities that are involved in managing, controlling or advising the operations, business development and disclosure of the issuer, as well as the identity of any significant shareholders.

- A. Names of Officers, Directors, and Control Persons. In responding to this item, please provide the names of each of the issuer's executive officers, directors, general partners and control persons (control persons are beneficial owners of more than five percent (5%) of any class of the issuer's equity securities), as of the date of this information statement.
