The list shall include all offerings of securities, whether private or public, and all shares or any other securities or options to acquire such securities issued for services, describing (1) the securities, (2) the persons or entities to whom such securities were issued and (3) the services provided by such persons or entities. The list shall indicate:

- A. The nature of each offering (e.g., Securities Act Rule 504, intrastate, etc.);
- B. Any jurisdictions where the offering was registered or qualified;
- C. The number of shares offered;
- D. The number of shares sold;

- F. The trading status of the shares; and
- G. Whether the certificates or other documents that evidence the shares contain a legend (1) stating that the shares have not been registered under the Securities Act and (2) setting forth or referring to the restrictions on transferability and sale of the shares under the Securities Act.

With respect to private offerings of securities, the list shall also indicate the identity of the persons who purchased securities in such private offering; *provided, however*, that in the event that any such person is an entity, the list shall also indicate (a) the identity of each natural person beneficially owning, directly or indirectly, more than ten percent (10%) of any class of equity securities of such entity and (b) to the extent not otherwise disclosed, the identity of each natural person who controlled or directed, directly or indirectly, the purchase of such securities for such entity.

On December 6, 2010, pursuant to our 2010 Incentive Plan, the Compensation Committee authorized the issuance to all eligible employees of the Company common stock options to purchase an aggregate of 563,700 shares of common stock and issued equally to the four non-employee members of the Board common stock options to purchase an aggregate of 100,000 shares of common stock. The options vested upon issuance and expire five years from the date of issuance. In addition, 500,000 shares of restricted common stock were granted to two executive officers. The issuances of the restricted stock were made in reliance upon an exemption from securities registration afforded by the provisions of Section 4(2) of the Securities Act of 1933, as amended, and the provisions of Regulation D promulgated thereunder.

The option is exercisable upon issuance with an initial expiration date of September 30, 2014.
