

Shareholder Update January 27, 2015

EPGL and AT&T Sign Development Agreement

EP Global Communications, Inc. and AT&T have signed a Development Agreement which will serve as a starting point for the two companies to explore potential projects together.

Executives from both EPGL and AT&T will be meeting during the week of February 1st 2015. More information will be announced to shareholders and the investment community, after these meetings are concluded next week.
