Addendum to Notes to Consolidated Financial Statements
For the Six Months ended December 31, 2014 and 2013
(unaudited)

1) CHANGES IN CONTINGENT LIABILITIES AND LITIGATION

On February 16, 2015, the Company posted its Financial Statements and Notes for the period ended December 31, 2014 within which it stated, "the Company is currently defending a lawsuit in the Superior Court for the County of Alameda arising from the claim of the aforementioned default judgment … As of the date of these Notes to Consolidated Financial Statements, the Company has engaged an attorney to defend this action and filed a motion to quash based on lack of jurisdiction. We believe that this lawsuit is entirely without merit, and will defend it vigorously."

However, on January 23, 2015 the plaintiff filed a request for dismissal with prejudice of the entire complaint, against all parties and for all causes of action. On February 5, 2015 the clerk of the court filed the dismissal and mailed a copy to the Plaintiff's counsel on February 10, 2015. Management received copies of the dismissal request, the entry of the dismissal and the mailing on February 19, 2015.

In light of the dismissal, the Company's motion to quash based on lack of jurisdiction is moot and Management intends to investigate its options regarding the advisability of any future settlement or further legal action regarding the underlying default judgment.
