Interim Appointment of Edward J. da Parma: Mr. da Parma resides in Arizona and is the President of Executive Support and Services Group, Corp ("ESSG"). ESSG provides a variety of business services through its offices in Arizona and New York, among them assistance with corporate compliance matters and accounting and accounting services. In order to facilitate the filing requirements of the notifications required to comply with state statutes and the various regulatory agencies, Mr. da Parma as President of ESSG has been appointed Interim Assistant Secretary, until such time as the corporate actions herein are complete.

Mr. da Parma has never been the subject of a disciplinary action by the Securities and Exchange Commission, or any self-regulating agency. He has not been convicted of a felony.

5.07 Submission of Matters to a Vote of the Shareholders

On January 30, 2015, the Board of Directors resolved and passed a resolution making the following changes to the Company's Articles of Incorporation, which were submitted to the shareholders and subsequently approved by a majority of them on February 5, 2015, the following: (EX 20)

- A negative stock dividend in the ratio of 1 share of common stock for each 100 shares of common stock held.
- Changing the name of the corporation to Continental Beverage Brands Corporation
- Obtaining a new CUSIP number to reflect the negative split and name change.
- The interim appointment of Edward J. da Parma as Acting Secretary of the Corporation

Negative Stock Dividend: The Board recommended and a majority of shareholders approved a negative stock dividend of 1 common share for each 1,00 common shares held, effectively declaring a reverse split of the common shares, without affecting the overall authorized capitalization or par value of the common stock.

The reverse affects all issued and outstanding common stock of the Corporation held on January 30, 2015. On that date, there were 16,000,000 common shares issued and outstanding. The effect of the negative dividend reduced such shares to 160,000 common shares. Fractional shares resulting from the proportional (1 for 1000) were rounded to the whole number, provided the resulting quotient was equal or greater than .50. (EX. 99.4).

New Corporate Name: To better reflect the direction the corporation is moving and in anticipation of a possible acquisition which albeit is in the very early stages of negotiation, management believes the name of the corporation be changed to Continental Beverage Brands Corporation. As a matter of efficiency management sought and received shareholder approval despite the early stage negotiations to avoid the necessity and filing fees of an additional Financial Industry Regulatory Authority (FINRA) notice of corporate action.

New Symbol: Attendant with the corporate name change, the Company requested a new trading symbol. Continental Beverage Brands Corporation's will continue to trade on OTC Markets, Inc. under the symbol "CBBB".

New CUSIP Number: The new number assigned to the Company by the Committee On Uniform Securities Identification Procedure ("CUSIP") is 21116R107

The shareholders approving these actions totaled 11,276,550 common shares; 70.48% of the issued and outstanding shares, while 4,723,250 common shares; 29.52% of the issued and outstanding shares were deemed to have voted in opposition to the action. (EX 99).

Upon such approval the Company the filed an Electronic Notification of Corporate Action with the Financial Industry Regulatory Authority ("FINRA"). (EX 99.1)

On February 23, 2015, the Company received notification by e-mail to its acting interim secretary that the Corporate Actions enumerated here and in the Electronic Notification were approved and would be deemed to take effect on February 25, 2015. (Exhibit 99.2)
