Re: Adequacy of Current Public Information for Green Star Products, Inc.

Dear Sir or Madam:

I, the undersigned, am an attorney licensed to practice law in the state of California. I am permitted to practice before the Securities and Exchange Commission ("SEC") and have never been prohibited from practice thereunder. I am United States citizen residing and working in San Diego County, California and I represent that neither myself nor my firm is currently under investigation for any violation(s) of federal or state securities laws.

My firm has been retained by Green Star Products, Inc. ("GSPI") for the limited purpose of providing a legal opinion on the adequacy of current information available to the public in relation to the filing of an "Initial Information Statement" pursuant to Rule 15c2-11(a) (5) of the Securities Exchange Act of 1934 as amended (the "Exchange Act"), and Rule 144(c)(2) of the Securities Act of 1933 as amended, (the "Securities Act"). Green Star Products Inc. (hereinafter the "Company") is incorporated under the laws of Delaware and its principle business offices are located in Salt Lake City, Utah.

1. Facts & Assumptions

In rendering this opinion, I have reviewed various corporate records and other documentation necessary and proper for an opinion in conjunction with the filing of the Company's Information & Disclosure Statement. Additionally, I have made further inquiry and investigation into the laws, regulations, and commentary available for such a filing. With respect to corporate documentation examined, I have presumed the genuineness of all signatures thereon; the authenticity of all documents provided as originals; conformity of all copies to the original documents; and the authenticity of all original documents submitted as copies.

I have relied on information available on the Internet, from records with the SEC, and from officers of the Company in addition to other sources deemed reliable. Nothing came to my

attention during the course of my investigation that led me to conclude that any such documents were not genuine or authentic or that the facts contained therein were not true.

2. Inquiry & Investigation

I have reviewed the Information & Disclosure Statement (the "Information Statement") for the period ending December 31, 2014 posted on www.otcmarkets.com through the OTC Disclosure & News Service on or about February 25, 2015. In addition, I have reviewed the Amended Annual GSPI 2014 Financial Statements (Balance Sheet, Statement of Operations and Statement of Stockholders Equity and Cash Flows) for the period ending December 31, 2014; Amended Annual 2011-2013 Financial Statements for the period ending December 31, 2013; and Amended Quarterly Report for the period ending September 30, 2014 posted by the Company on www.otcmarkets.com through the OTC Disclosure & News Service.

The Information Statement was prepared by Joseph P. LaStella, the Company's Chief Executive Officer. Mr. LaStella is a Retired Licensed Professional Engineer (New York, 1973) and has for the past twenty years prepared the financial statements with the assistance of Anderson Bookkeeping Service, Inc. and various CPA professionals. Prior to 2007 the financial statements for the Company were audited by Stonefield Josephson, Inc. (now Marcum, LLP). While financial statements contained in the Information Statement have not been audited, they nevertheless represent a compilation of the facts representing the financial condition of the Company.

The Company's transfer agent is Stalt, Inc. 671 Oak Grove Avenue, Suite C Menlo Park, CA 94025. I have confirmed that this transfer agent is registered with the Securities and Exchange Commission. Information regarding the accuracy of the shareholder's list and the issued and outstanding shares of the Company can be confirmed with Stalt Transfer.

Additionally, I have met personally with a majority of the board of directors and the officers of the Company to discuss this information and its adequacy for these purposes. An interested investor could readily find current information available regarding the Company by which s/he could objectively make a determination pertaining to the corporate financial status and relevant financial information thereby enabling such investor to make an informed and intelligent decision regarding the stock of the company.

Finally, to the best of my knowledge and after inquiry of management and directors of Green Star Products, Inc., none own more than 5% of the company, but for Joseph P. LaStella who owns 8.12%. In addition, none of the officers or directors of the Company are currently under investigation for violations of state or federal securities laws

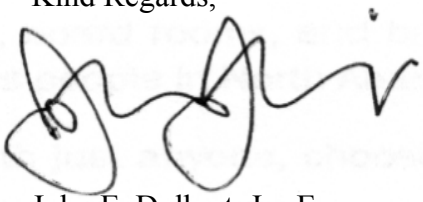

3. Legal Conclusions

The legal opinion as expressed in this letter is that the Information Statement as filed constitutes: (1) adequate information about the Company which is available to the public

regarding the shares of common stock and is available within the meaning of Rule 144(c)(2) of the Securities Act of 1933; which (2) includes all of the information that a broker-dealer would be required to obtain from the Company to publish a quotation for the shares of common stock of the Corporation under Rule 15c2-11 of the Exchange Act of 1934; that (3) complies with the Pink Sheets Alternative Reporting Guidelines as they pertain to providing adequate and current information about the Company; and (4) the statement has been posted in the Pink Sheets News Service. OTC Markets Group, Inc. is entitled to rely on this opinion in determining whether the Company has made adequate current information available to the public pursuant to Rule 144(c)(2) of the Securities and Exchange Acts, and may publish this opinion on its website, www.pinksheets.com for such limited purposes.

The statements and opinions set forth herein reflect observations and results of inquiries up to the date hereof, and shall remain valid for as long as the documents, instruments, records and other information I have reviewed and examined remain unchanged, and the assumptions relied upon continue to be valid. This opinion is intended solely for the use and application of OTC Markets Group, Inc. as it deems appropriate for use and publication on its website.

Kind Regards,

John E. Dolkart, Jr., Esq.
