FORWARD-LOOKING STATEMENTS

This disclosure statement contains “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. In some cases you can identify forward-looking statements by terms such as “may”, “intend”, “will”, “could”, “would”, “expects”, “believe”, “estimate”, or the negative of these terms, and similar expressions intended to identify forward-looking statements.

These forward-looking statements reflect our current views with respect to future events and are based on assumptions and are subject to risks and uncertainties. Also, these forward-looking statements present our estimates and assumptions only as of the date of this disclosure statement. Except for our ongoing obligation to disclose material information as required by federal securities laws, we do not intend to update you concerning any future revisions to any forward-looking statements to reflect events or circumstances occurring after the date of this disclosure statement.

Actual results in the future could differ materially and adversely from those described in the forward-looking statements as a result of various important factors, including the substantial investment of capital required to produce and market films and television series, increased costs for producing and marketing feature films, budget overruns, limitations imposed by our credit facilities, unpredictability of the commercial success of our motion pictures and television programming, the cost of defending our intellectual property, difficulties in integrating acquired businesses, and technological changes and other trends affecting the entertainment industry.

ITEM 1 – Management Comments, Corrections, Updates and Disclosures

In respect of the complexity of the filings and disclosures required for the Company's Form 10 (12g) Registration statement (March 6, 2015), Management has noted the following issues for clarification, correction or general disclosure:

a). MEDALLION RELEASING, INC. – A prior OTC Markets filing incorrectly listed the domicile state for this entity as being Wyoming. The proper domicile is Arkansas. The Form 10 Registration properly notes this issue.

b). INTERNATIONAL SALES – The Company will be attending the Cannes Film Festival and Marche du Film in May, 2015 for the purpose of supervising ongoing licensing activities of properties, as well as proceeding with ongoing acquisition of film rights. Properties for which international rights are owned or controlled by Hannover House or Medallion Releasing shall be divided into three primary categories: a). Event Level Pictures (*e.g.*, “*Mother Goose: Journey to Utopia*”); b). Mid-Level Pictures (*e.g.*, “*The Summoning*”) and c). Genre’ product (*e.g.*, “*Shadow Vision*”). Further details of the sales partners involved in these categories of titles, and with title specific ventures, will be released to the Shareholders prior to the Cannes market.

c). COMPANY INFORMATIONAL BLOG – In respect of the heightened standards of disclosure and discretion that the Company will be expected to follow as a registered and fully-reporting entity, the standard disclaimers of Forward Looking Statements shall apply to all HHSE blog communications. The Company wishes to maintain its policy of open communications regarding current activities and anticipated events; however, in respect that (*in all business ventures*) complex deals often end up structured differently than originally planned – and recognizing that it's often beneficial to modify in response to changing circumstances – the HHSE blog will be presented as a communications courtesy tool, subject to the same protections and disclosures as other filings containing Forward Looking Statements.

d). HHSE ANNUAL MEETING OF SHAREHOLDERS – The fifth Annual Meeting of Shareholders of Hannover House, Inc., will commence on Saturday, March 7th at 10:00 am at the Company's principal headquarters, 1428 Chester St., Springdale, AR 72764. Only confirmed shareholders will be authorized to attend. The following items will be discussed, and the final results of the Shareholder's Meeting shall be posted to the Company's informational blog prior to 9:30 am EST, on Monday, March 9, 2015.

- d-1). Review of Form 10 filing & audit report;
- d-2). Discussion of Current and Upcoming Activities;
- d-3). Discussion of Film Production Ventures & Outside Financing;
- d-4). Discussion of VODwiz launch timing, partners and opportunities;
- d-5). Open Discussion / Q&A
