HEALTHY COFFEE INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENTS
For the Period Ended December 31, 2014

NOTE 1 - ORGANIZATION AND DEVELOPMENT OF THE BUSINESS

The company was originally incorporated in the State of Colorado as Relevant Links, Inc. In September 14, 2002, it became Direct Response Financial Services, Inc. and then Sleeping with the Enemy, Inc. in July 11, 2007.

Healthy Coffee International, Inc., category creator of Healthy Coffee, is focused on bringing health to the world's largest and most popular drink, coffee. The company's proprietary formulas combine the health benefits of Ginseng, Reishi Mushroom, and other top quality ingredients with the world's finest coffee beans to create a line of deliciously healthy instant gourmet coffee drinks. Healthy Coffee is well positioned in the market place at the intersection of three mega-billion dollar industries: coffee, wellness and energy drinks, and has quickly established offices in 11 countries and distributors in 29 other countries through its marketing subsidiary HEALTHY COFFEE GLOBAL MARKETING, INC. (www.HealthyCoffee.com) which uses a simple and unique Internet-driven international business model that allows the average person to own and operate a local, national, or international coffee distribution or coffee house business with very little capital investment or overhead.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The Company prepares financial statements in conformity with generally accepted accounting principles that require management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

Cash and Cash Equivalents

The Company considers all highly liquid instruments purchased with maturities of one year or less to be cash equivalents.

Property and Equipment

Property and equipment are stated at cost. Major repairs and betterments are capitalized and normal maintenance and repairs are charged to expense as incurred. Depreciation is computed by the straight-line method over the estimated useful lives of the related assets as follows:

Upon retirement or sale of an asset, the cost and accumulated depreciation are removed from the accounts and any gain or loss is reflected in operations.
