Information required for compliance with the provisions of the OTC Markets, Inc., OTC Pink Disclosure Guidelines (Version 1.1.1 4/25/13)

Because we want to provide more meaningful and useful information, this Disclosure Statement contains certain “forward-looking statements” (as such term is defined in Section 21E of the Securities Exchange Act of 1934, as amended). These statements reflect our current expectations regarding our possible future results of operations, performance, and achievements. These forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, regulation of the Securities and Exchange Commission, and common law.

Wherever possible, we have tried to identify these forward-looking statements by using words such as “anticipate,” “believe,” “estimate,” “expect,” “plan,” “intend,” and similar expressions. These statements reflect our current beliefs and are based on information currently available to us. Accordingly, these statements are subject to certain risks, uncertainties, and contingencies, which could cause our actual results, performance, or achievements to differ materially from those expressed in, or implied by, such statements. We have no obligation to update or revise any such forward-looking statements that may be made to reflect events or circumstances after the date of this Disclosure Statement.

The Boomerang Media Station™

The Boomerang Media Station™ is the most advanced media distribution technology on the Internet. It is not only high tech, but high concept as well. With its seamless integration, the Boomerang functions as "The HBO and MTV of the Internet" bringing you the very best in online media, music and entertainment. Boomerang delivers high quality, fast streaming video to your computer: Watch advance movie trailers, TV shows, music videos, up-to-the-minute news and exclusive HD quality video content that is only available on Boomerang. Boomerang not only gives you access to the very latest artistic media, but provides you with the opportunity to share your videos with other Boomerang users too. Musicians can upload their videos onto a personalized Boomerang. We are the conduit for professionals, new and experienced, to share their productions while keeping in touch with the latest from Hollywood. As a Boomerang user, it is possible to share your own professional content to be considered for production/sourcing to be streamed to thousands, and in the future, millions of users. You will also be invited to eWorld premier events held not just in Los Angeles, but around the globe. These events will allow you to network with other professionals, filmmakers, and musicians.

PlayTV™

Somewhere between shaky home videos and big-budget blockbusters lies an ocean of undiscovered yet professional content created by talented people from all over the world. eWorld is proud to be able to unleash this fresh, unseen media. We will be collecting Music, Film and Art from all corners of the globe and making it exclusively available on the Boomerang Media Station™ - a film festival or concert streaming in HD directly to your computer. eWorld will not only unearth these media gems; but will also aid in the creation and distribution of this new world of webisodes and vignettes which is evolving the future of this industry. The emergence of this new genre of entertainment, combined with the Internet's power to reach a worldwide audience, has inspired us to create PlayTV™ - eWorld's exclusive online 24 hour broadcasting network available through Boomerang featuring.

- Original streaming video content

- Innovative co-produced programs
- Live web casts & pay-per-view events
- Quality controlled user generated video and film for independent musicians and film makers

PlayTV™ is the vehicle for every independent musician and film maker to showcase their work to millions of Boomerang users.

Eworld Productions

The flash of camera lights illuminate the night around you and a microphone is held to catch your comments as you walk the red carpet into the latest eWorld premier event. This event is merely a fringe benefit of joining with eWorld. Having the most advanced media distribution technology is not enough. We want to offer our users the best possible entertainment available. That is why we created eWorldProductions. This group of highly skilled professionals from Hollywood spends their time searching for undiscovered talent as well as creating their own unique and brilliant productions to be displayed on PlayTV™. And you can view this assortment of artistic media that is exclusive to our network with a simple free Boomerang download. You may even find yourself in front of our camera at one of our events, standing beside some of the industry's latest music artists and filmmakers.
