Forward-looking statement

This press release contains statements, which may constitute "forward-looking statements" within the meaning of the Securities Act of 1933 and the securities Exchange Act of 1934, as amended by the Private Securities Litigation Reform Act of 1995. Those statements include statements regarding the intent, belief or current expectations of the Company and members of its management as well as the assumptions on which such statements are based. Prospective investors are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and that actual results may differ materially from those contemplated by such forward-looking statements. Investors are cautioned that due to the Company's acquisition of the right to receive income from marijuana farming operations, an investment in this Company is extraordinarily risky, involving a multiplicity of extreme risks, that in some respects exceed that of any legal investment in the history of investing, particularly given the conflict of laws and the potential consequences of that conflict, including very substantial legal risk of federal prosecution, penalty and imprisonment, as marijuana is still classified federally as a Schedule 1 narcotic.
