Securities Ownership of Certain Beneficial Owners and Management

The following table sets forth information regarding the beneficial ownership of our Common Stock (our only class of voting securities) as of March 27, 2015 by the following:

- each of our directors and executive officers;
- all of our directors and executive officers as a group; and
- each person, or group of affiliated persons, known by us to beneficially own more than 5% of our Common Stock.

Beneficial ownership is determined according to the rules of the SEC and generally means that a person (including an entity) has beneficial ownership of a security if such person possesses sole or shared voting or investment power regarding that security, and includes shares of Common Stock issuable pursuant to options and warrants that are currently exercisable or exercisable within 60 days of the filing date hereof. Shares issuable pursuant to stock options and warrants are deemed outstanding in computing the ownership of the person holding such options and warrants but are not deemed outstanding in computing the ownership of any other person. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons named in the table below have sole voting and investment power with respect to all shares of the Company's Common Stock shown to be beneficially owned thereby, subject to community property laws where applicable. The information does not necessarily indicate beneficial ownership for any other purpose.

Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o Corindus Vascular Robotics, Inc., 309 Waverley Oaks Rd., Waltham, Massachusetts 02452.
