In June 2014, the Company converted 500,000 shares common stock in cancelation of $20,000 of accrued but unpaid interest on a convertible promissory note dated January 30, 2008. The share were issued to a non-affiliate who had not been an affiliate for more than 90 days prior to the conversion, and the rights to the accrued interest was purchased under Section 4(1) of the Act from a non-affiliate which held the promissory not on which the interest was accrued for more than one year. The shares were issued with no restrictions or legend conditions.

In July 2014, the Company issued 166,650 shares of its common stock to Gregg Stachacz in consideration for providing IR, PR services. The shares issued were issued pursuant to Section 4(2) of the Act and legends were place on the certificates.

In August 2014, the Company converted 500,000 shares common stock in cancelation of $20,000 of accrued but unpaid interest on a convertible promissory note dated January 30, 2008. The share were issued to a non-affiliate who had not been an affiliate for more than 90 days prior to the conversion, and the rights to the accrued interest was purchased under Section 4(1) of the Act from a non-affiliate which held the promissory note on which the interest was accrued for more than one year. The shares were issued with no restrictions or legend conditions.

In August 2014, the Company exchanged 2,773,353 shares of its common stock for 1,915,576 shares of its Series A 5% Convertible Preferred Stock pursuant to Section 3(a)(9) of the Securities Act of 1933.

In September 2014, the Company issued 3,772,458 shares of its common stock to its Series A 5% Convertible Preferred Shareholders as a stock dividend in a non-cash transaction.

In October 2014, the Company issued 300,000 shares to GSM Funding which was conditioned on it acquiring and providing EPIC with a Bridge Lone of $300,000. The Bridge Loan was never provided, but GSM Funding has failed to return the shares.

In December 2014, the Company issued 851,961 shares of its common stock to its Series A 5% Convertible Preferred Shareholders as a stock dividend in a non-cash transaction.

On December 31, 2014, holders of 4,900,000 shares of the Company's Series A 5% Convertible Preferred Stock converted their preferred stock into 18,151,700 shares of the Company's common stock pursuant to the provisions of the Articles establishing the Preferred Stock.

On December 31, 2014, the Holders of Convertible Promissory Notes and the accrued but unpaid interest on the Convertible Promissory Notes exercised their conversion rights under the Convertible Promissory Notes in the amount of $600,000 and accrued interest of $250,000 for 26,525,000 shares of the Companies Common Stock.

On December 31,2014, the Company and the holders of Notes Payable in the amount of

$35,282 agree to exchange the loans payable for 685,282 shares of the Company's common stock.

ITEM 5. FINANCIAL STATEMENTS

EPIC's financial statements have been prepared without audit, pursuant to the rules and regulations of the Securities and Exchange Commission. The Company believes that the disclosures are adequate to make the information presented not misleading when read with the Company's financial statements for the years ended September 30, 2014 and 2013. The financial information presented reflects all adjustments, consisting only of normal recurring adjustments, which are, in the opinion of management necessary for a fair statement of the results from the periods presented. The Financial Statements are filed separately but are included herein by reference.

ITEM 6. ISSUERS BUSINESS, PRODUCTS AND SERVICES

OVERVIEW

EPIC is a project-oriented special purpose financial services company. Its services include business, corporate and financial development services to subsidiaries and independent project companies. EPIC's focus is on healthcare products and service companies.

EPIC was founded in October 1997, in the State of Colorado, under the name Tensleep Design, Inc., its name was changed In April 1999 to Tensleep Technologies, Inc, again in November 1999 to Tensleep.com, Inc., again in August 2000 to Tensleep Corporation, and again in September 2007 to EPIC Corporation (the “Company”). EPIC's principle place of business is located in Austin, Texas.

EPIC since its inception has been a revenue producing and dividend paying company. It earns its revenue by providing services to project companies enabling them to raise capital and provide an exit strategy for their investors.

EPIC's mission is to provide short and long term Pink Sheet investors with high yield investments through capital appreciation and dividends in cash and common stock.

EPIC's principal project company is its own majority owned subsidiary RX Healthcare Systems, Ltd. (“RX Healthcare”). RX Healthcare's business is the production, sale, and distribution of healthcare products and providing healthcare services.

Business Plan

EPIC's business is to provide corporate, business and financial development services to project companies that include EPIC subsidiaries and independent third parties separately and in combination. Part of EPIC's process is to acquire technology, rights to unique products, and to license the interests to prospective growth company's.

EPIC's business plan also includes the engagement of strategic relationships or joint ventures between EPIC or its subsidiary companies and third party research and development companies with healthcare related products or services. The essence of the strategic relationships and joint ventures is to provide for product commercialization, including regulatory approval if necessary, product

procurement, marketing and/or distribution.

Epic by the nature of its business defines revenue as capital and revenue growth as capital growth. Epic, based on its primary purpose, obtains sustainable growth of capital and uses its capital efficiently. EPIC creates capital through equitable interests in subsidiaries and joint ventures, and by granting of Licenses to acquired products or technologies whether developed by its engineers or other independent parties.

EPIC is able to obtain sufficient funds for the next 12 months of operation from its CEO and President.

Current Project

AcuFAB® is an acupressure design patented and licensed spacer fabric produced in the United States. EPIC has the exclusive world-wide rights to manufacture ***AcuFab®*** and the products made from it and was assigned the one time sublicense fees and royalties provided in the sub-licenses granted to RX Healthcare and EPIC Medicor Corp by a third party for North America. RX Healthcare in January acquired the sublicense granted to EPIC Medicor Corp. EPIC has been offering It is being offering ***AcuFAB®*** to Original Equipment Manufacturers (OEM(s)) and ***AcuFAB®*** products are now being distributed to RX Healthcare who markets, distributes, and sells the products to consumers and healthcare institutions. The ***AcuFAB®*** products include pressure overlay support surfaces, wheelchair and chair pads, auto and truck seat pads, and other healthcare products for consumers and healthcare enterprises**.** EPIC and RX Healthcare have established the EPIC iStore, (www.epicistore.com), and other websites to sell healthcare products to consumers. The websites include www.acufabinsoles.com, www.acufabric.com, and www.acufabsportinsoles.com.

EPIC has spent more than two years reviewing and studying market segments for ***AcuFAB®*** and its products, and looking for potential joint ventures with independent parties for both making products with ***AcuFAB®*** and its products. ***AcuFAB®*** can be use to make many diverse products in many diverse market segments. EPIC and RX Healthcare are focusing on the development and distribution of the ***AcuFAB®*** insoles for sport foot-ware, healthcare workers and restaurant workers.
