6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

A. Description of the issuer's business operations;

New Infinity Holdings, Inc. has developed a business model for acquiring companies that provide a broad range of products and services in the green energy market. The Company plans to acquire companies that produce renewable energy certificates (RECs). A REC represents the property rights to renewable electricity generation. A REC can be sold separately from the underlying physical electricity associated with a renewable-based generation source. The Company adheres to the Green-e Energy program, seeking only companies whose RECs are Green-e Energy certified.

B. Date and State (or Jurisdiction) of Incorporation:

The Company incorporated on February 23, 1999 in the state of Nevada

C. the issuer's primary and secondary SIC Codes;

3572-Computer Storage Device

D. the issuer's fiscal year end date;

12/31

E. principal products or services, and their markets;

The Company is in the business of acquiring green energy and REC producing companies. RECs were created to help convey the attributes of electricity generated from renewable resources to buyers. Analogous to the utility delivering the physical electricity through wires, RECs serve as the means to deliver the environmental and non-power attributes of renewable electricity generation to buyers – separate from the physical electricity. Our primary markets are institutions that purchase renewable energy to match their electricity needs.

7) Describe the Issuer's Facilities

The Company's executive office is located at 2964 Lincoln Highway, Sadsburyville, PA 19369. The space is an executive suite and is leased month to month.
