Prestige Cars International, Inc. ("Prestige Cars International", the "Company" or "PCI"), founded by Robert Atanasov, was incorporated in the State of Florida on January 25, 2007, and began doing business immediately thereafter. PCI buys and sells luxury European vehicles, and their parts, worldwide, specializing in vintage Rolls Royce, Bentley, Mercedes Benz, BMW, Porsche, Jaguar and Land Rover. Sales are on a personal basis, and over the Internet (www.prestigiouseurocars.com) with E-Bay sales, through Prestigious Parts division. There are 3 subsidiaries of the company, E-Bay Sales - Prestigious Parts and Prestigious Auto Paint and Body.

THE EVOLUTION OF THE CORE BUSINESS STRATEGY

In 2015, PCI's intent is to identified a new, unique and rapidly growing business opportunity seeking out locations across Miami to west Palm Beach, entrenched in a highly lucrative, small and fragmented portion of the multi-billion dollar auto repair business PCI plans to set up shops in Miami , Adventure, Pompano Bch Boca Raton and West Palm Bch with their Flag ship service facility in Ft Lauderdale..

This opportunity already connects to the types of repair work that PCI does already, while representing a further vertical integration of PCI's intended long-term strategy for added auto repair capabilities. Important, this opportunity allows PCI to significantly optimize its revenue and profits within a twelve (12) month period.

This opportunity is the rebuilding of failed "out of warranty" parts and assemblies on high-end cars that will remain drivable for many years to come, and the resale of such rebuilt parts and assemblies to auto repair shops and dealers alike nationwide.

The execution of this new business strategy calls for PCI to expand and equip its main location in order to specialize in the service for Mercedes Benz, BMW, Jaguar, Rolls Royce, Bentley, and Land Rover.
