1PM Industries Announces It Has Executed Lease Agreement For Initial Retail Location, Marketing Plan and Online Sales.

Beverly Hills, California, June 8, 2015 – 1PM Industries (OTC: OPMZ) announced today it has executed a lease agreement to open its initial retail location at Fashion Island in Newport Beach, California. This is the initial step in a plan to build out retail stores to sell "Nate's Homemade" products. The build out is focusing initially in the Southern California area before expanding to other states. Fashion Island has approximately 15 million visitors a year (or approximately 1,250,000 per month). The Company expects to begin selling product at Fashion Island in July 2015.

The Company will initially begin with leasing kiosk at Fashion Island as a proof of concept and to build a solid foundation slowly while the product line is increased. As the number of products available is increased, the Company will begin looking at building 1,300 square foot retail stores that will include waffle bars and Nate's Homemade ATMs that will sell the various products. Thereby branding the Nate's Homemade ATMs and providing additional expansion by placing Nate's Homemade ATMs at other locations such as colleges and universities.

In addition to building out retail locations, the Company is currently working to market and sell product at various events throughout the Country such as NASCAR, professional sporting events and local/regional events. The event marketing will work in connection with social media, print ads and television commercials.
